It is with great pleasure that we introduce Fly Rail FixWel, a leading Indian manufacturer of wheel castors and hardware goods since 1975. Our brand has become synonymous with quality, durability, and reliability in the industry.

As you evaluate your requirements for castors and hardware, we are confident in our ability to serve as your trusted partner, committed to exceeding your expectations.

Fly Rail Fixwel offers an extensive range of wheel castors and wheels, catering to diverse industries. Our products are available in sizes ranging from 15 mm to 200 mm, with load-bearing capacities from 15 kg to an impressive 1000 kg. These are ideally suited for applications across sectors such as furniture, medical equipment, material handling, aviation, and hospitality.

We ensure exceptional quality through our in-house manufacturing facilities, advanced technology, and a team of highly skilled professionals. Our efficient production processes also enable us to offer competitive pricing without compromising on quality.

Our wide dealership network ensures excellent customer support and service across India. By choosing Fly Rail FixWel, you benefit from durable, reliable, and high-performance products engineered for long-term use. Our castors are designed to reduce friction, enhance mobility, and improve operational efficiency.

With our strong nationwide presence and commitment to value-driven pricing, we ensure easy accessibility and excellent return on investment for our customers.
