OUR PRODUCTS

EASY ACCESS PANELS

Easy Access Panels provide safe, convenient and aesthetically pleasing access to concealed building services while maintaining a seamless architectural finish.

Designed for residential, commercial and industrial applications, they offer durability, easy installation and long-term performance.

Gypsum Access Panel

PERFECT FOR GYPSUM CEILINGS AND WALLS WITH A CLEAN FLUSH FINISH.

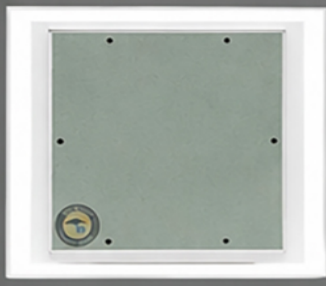

Designed to blend seamlessly with modern interiors while providing quick and convenient access to concealed services. Its durable construction ensures long-lasting performance with easy installation and maintenance.

METAL ACCESS PANEL

HEAVY-DUTY ACCESS SOLUTION FOR COMMERCIAL AND INDUSTRIAL PROJECTS.

Manufactured from high-quality metal for superior strength, durability, and corrosion resistance. Ideal for areas requiring frequent maintenance access and reliable long-term performance.

FIRE RATED ACCESS PANEL

DESIGNED TO MAINTAIN FIRE COMPARTMENT INTEGRITY WHILE ALLOWING SERVICE ACCESS.

Engineered to help slow the spread of fire and smoke while providing safe access to building services. Suitable for applications where fire protection and regulatory compliance are essential.

LAMINATED ACCESS PANEL

OFFERS A PREMIUM DECORATIVE FINISH WHILE PROVIDING CONVENIENT ACCESS TO CONCEALED BUILDING SERVICES.

Designed to match laminated wall and ceiling surfaces, it combines seamless aesthetics with durability, making it ideal for high-end residential, commercial, and hospitality interiors.

OUR PRODUCTS

FACILE PRODUCT DESCRIPTION

Facile Professional Tiling Tools are engineered for precision, efficiency and durability, helping professionals achieve high-quality tile installations with ease. Designed for demanding job sites, our tools deliver consistent performance, enhanced productivity and professional-grade results on every project.

MANUAL TILE CUTTER

ACCURATE AND EFFORTLESS CUTTING FOR CERAMIC AND PORCELAIN TILES.

Built with a robust construction and precision scoring system for smooth, clean cuts every time. Ideal for professional tile installers seeking speed, accuracy, and reliable performance on every project.

TILE VIBRATOR

ELIMINATES AIR GAPS BENEATH TILES FOR IMPROVED BONDING.

Delivers uniform vibration to achieve maximum adhesive contact and reduce the risk of hollow tiles. Enhances installation quality while improving efficiency and reducing rework.

PUTTY MIXER

ENSURES SMOOTH AND CONSISTENT MIXING OF ADHESIVES, MORTAR AND PUTTY.

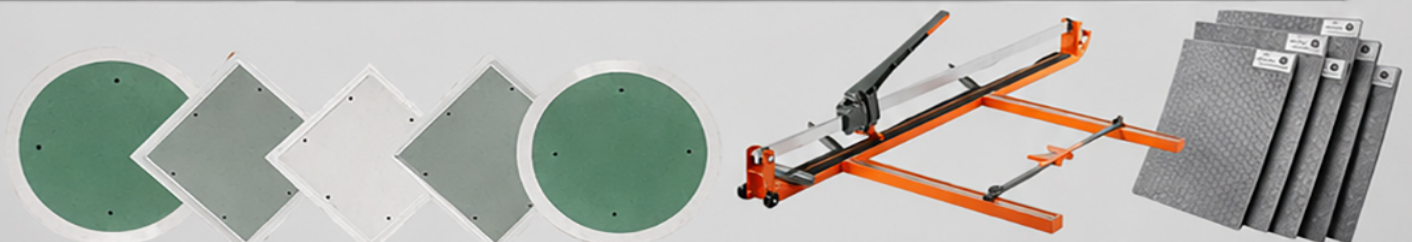

Powered by a high-performance motor for fast, lump-free mixing with minimal effort. Its ergonomic design provides better control and comfort during extended use on construction sites.

DIAMOND DRILL BITS

FAST, PRECISE DRILLING WITH EXCELLENT DURABILITY.

Manufactured with premium diamond segments for smooth drilling through ceramic, porcelain, marble, and granite. Offers exceptional wear resistance and long service life, even under demanding working conditions.

DURADERO FLOOR PROTECTION SHEETS

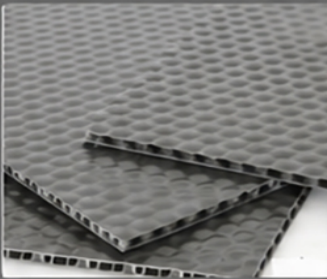

Duradero Floor Protection Sheets provide reliable protection for tiles, marble, granite and other finished surfaces during construction and renovation. They help prevent scratches, paint spills, dust and damage caused by heavy foot traffic, ensuring floors remain clean and protected until project completion.

175 GSM

LIGHTWEIGHT AND ECONOMICAL PROTECTION FOR LOW TO MEDIUM TRAFFIC CONSTRUCTION AREAS.

Ideal for safeguarding finished floors from dust, paint spills, and minor scratches during interior work and renovations.

250 GSM

ENHANCED DURABILITY FOR MEDIUM-DUTY FLOOR PROTECTION ACROSS RESIDENTIAL AND COMMERCIAL PROJECTS.

Provides improved tear resistance and dependable surface protection against daily construction activities and foot traffic.

350 GSM

HEAVY-DUTY FLOOR PROTECTION DESIGNED FOR DEMANDING CONSTRUCTION ENVIRONMENTS.

Its superior strength withstands heavy foot traffic, tools, and material movement while keeping finished surfaces safe from damage.

ARMORSHIELD

OUR PREMIUM FLOOR PROTECTION SOLUTION ENGINEERED FOR MAXIMUM DURABILITY AND PERFORMANCE.

Featuring exceptional impact resistance and long-lasting protection, Armorshield is ideal for high-value projects requiring superior surface safety throughout construction.
