

## Sky Chem

Sky Chem is a name that is counted amongst the acknowledged fraternities that are engaged in the business of providing a diverse range of different types of industrial chemical powders. We are a remarkable manufacturer and supplier of ammonium chloroplatinate powder, gold chloride 12.5%, indium sulphate powder, palladium nitrate powder, ruthenium red powder, silver chromate powder, silver sulphate LR, silver nitrite powder, and various other similar products.

# ABOUT US

**SKY CHEM** is a name that is counted amongst the acknowledged fraternities that are engaged in the business of providing a diverse range of different types of industrial chemical powders.

We are a remarkable manufacturer and supplier of ammonium chloroplatinate powder, gold chloride 12.5%, indium sulphate powder, palladium nitrate powder, ruthenium red powder, silver chromate

powder, silver sulphate LR, silver nitrite powder, and various other similar products. These chemical powders are manufactured in abundance with the chemical industrial standards. We make sure that each and every chemical product is manufactured under the supervision of our meticulous experts. Besides this, we sell these powders at a reasonable price range.

**SKY CHEM** is one of the renowned firms that are involved in manufacturing and supplying the high quality industrial chemical powders such as ammonium chloroplatinate powder, gold chloride, iridium trichloride powder, and various others. The company was incorporated in the year 2014.

## OUR INVENTORY

We have a well-structured and large inventory that allows us to furnish a qualitative and quantitative range of products. Our inventory allows us to finish our product range in a safe and quick manner. It is also divided into sections like manufacturing, processing, packaging, R&D, quality testing, warehousing, and logistics.

## QUALITY ASSURANCE

For us, maintaining the high quality of our products is the prime concern. Our quality auditors check each product on different parameters before dispatch.

## WHY US?

We are chosen by our customers for the following major factors:

- ◆ Huge distribution network
- ◆ Spacious warehousing unit
- ◆ Well-furnished inventory
- ◆ Ethical business practices
- ◆ Competitive pricing
