Akal Spring Limited, established in 1978 by Mr. Balwinder Singh and located in Ludhiana, Punjab, stands as a premier manufacturer, exporter, supplier, wholesaler, and trader in the realm of automotive components. With over four decades of experience, we have solidified our reputation for excellence, reliability, and innovation in the industry.

Specializing in trailer suspension parts, our diverse product range encompasses a wide array of high-quality components essential for the smooth functioning of vehicles. From shackle assemblies to metal nuts & bolts, anti-vibration pads to automotive leaf springs, and axle tie plates to E Rickshaw 5 Hole Plates, we cater to various needs within the automotive sector.

Our commitment to quality is unwavering, as evidenced by our stringent quality control measures implemented at every stage of production. We adhere to international standards and employ advanced manufacturing techniques to ensure that each component meets or exceeds customer expectations.

At Akal Spring Limited, we understand the importance of continuous innovation and investment in research and development. Thus, we constantly strive to enhance our product offerings, incorporating the latest technologies and materials to deliver superior performance and durability.

Moreover, our customer-centric approach distinguishes us from the competition. We prioritize customer satisfaction and aim to provide personalized solutions tailored to meet specific requirements. Our dedicated team of professionals works closely with clients to understand their needs and deliver customized solutions with precision and efficiency.

As a responsible corporate entity, we are committed to sustainability and environmental stewardship. We employ eco-friendly practices throughout our operations, minimizing waste and reducing our carbon footprint.

In essence, Akal Spring Limited is not just a manufacturer; we are partners in progress, dedicated to driving the automotive industry forward with quality products, innovation, and unparalleled customer service. Join us in shaping the future of mobility with excellence and integrity.
