ESSBEE HEATERS

Ess Bee Heaters Pvt. Ltd. Is A Leading Manufacturer And Pioneer In The Field Of Domestic And Industrial Heating Elements. With In-depth Knowledge And A Commitment To Continuous Technological Improvement, We Have Earned The Trust Of Our Customers By Delivering High-efficiency Heating Solutions And Optimal Performance Across A Wide Range Of Equipment And Machinery.

Welcome to Ess Bee Heaters Pvt. Ltd.

Ess Bee Heaters Pvt. Ltd. is a leading manufacturer and pioneer in the field of domestic and industrial heating elements. With in-depth knowledge and a commitment to continuous technological improvement, we have earned the trust of our customers by delivering high-efficiency heating solutions and optimal performance across a wide range of equipment and machinery.

We offer a comprehensive range of heating elements, including:

- . Domestic Heating Elements for home appliances
- . Industrial Immersion Heaters for oil, water, and chemicals
- . Cartridge Heaters for moulds and dies
- . Coil & Manifold Heaters for hot runner moulds
- . Tubular and Finned Air Heaters
- . Cast Heating Units

Mica and Ceramic Band Heaters

At Ess Bee, customer satisfaction is our motto. We define quality as exceeding customer expectations—right from material selection to final assembly. Every heater undergoes rigorous testing at each stage in our fully equipped laboratory, adhering to international quality standards.

We proudly serve a wide range of industries including:

- . OEMs (Original Equipment Manufacturers)
- . Food Processing Units
- . Textile Industries
- . Plastic & Rubber Industries
- . Chemical & Pharmaceutical Industries
- . Electroplating Units
- . Fertilizer Plants
- . PET & Foam Plant Industries
- . Cooler Honey Pad Industries
- . Packaging Industries

With our diverse portfolio of tailor-made heaters, we have significantly contributed to foreign exchange savings by producing import substitutes that support domestic industries.
