## About Us

**Burhani Enterprise** is a trustworthy name in the industry of Mumbai (Maharashtra, India). We are actively engaged in supplying the best quality boiler suit, PVC rain suit & coat, safety gumboots, finger coats, disposable cap, safety jacket, and many more. We offer various types of PVC rain suit & coats such as S2-001 PVC yellow rain coat, S2-004 PVC rain suit, S2-043 protective rain coat, S2-014 polyester rain suit, S2-011 men's polyester rain suit, etc. These PVC rain suit & coats are manufactured with great sense of advancement and hi-tech tools at our vendor's end. These PVC rain suit & coats are largely appreciated for their high-quality and durable life. We offer different types of safety gumboots like 15 inch Atlantic safety gumboots, 10 inch fortune forever gumboots, 13 inch fortune forever gumboots, steel toe Atlantic gum boot, etc. Our safety gumboots are best known for their fine quality, durability and comfortable fitting as well. Our list of finger coats includes Janta white finger coat, protostar high quality finger coat, industrial finger coat, and many more. All our products are available in a variety of sizes and specifications. To purchase them at affordable prices, dial our numbers now.

### Our Infrastructure

We are backed by a magnificent infrastructure facility that is equipped with different machines and tools based on the advanced technology. Managed by our experts, our infrastructure plays a vital role in our success story. Our workspace has been divided into multiple sections so as to facilitate hassle free operations. Furthermore, we upgrade our infrastructure from time to time so as to come up with flawless product assemblage.

### Our infrastructure has been divided into the following sections:

- Manufacture • Warehouse and packaging • Quality control • Administrative • Sales and marketing

### OUR TEAM

We have hired a team of professionals that is well trained & experienced to understand and meet the varied client requirements. Our team members are hired on the basis of their educational qualification, years of industry experience and technical knowledge. Further, our professionals are made to conduct several training sessions so as to keep up with the changes in the market trends and client requirements.
