

**Manufacturer,
Supplier &
Service Provider**

J & S Fence Industries is a Vapi (Gujarat, India) based company that started its operations in the year 2013. We are emerging as a credible manufacturer and supplier of the industrial supplies owing to the dedicated efforts of the team members.

Quality

We make sure that the entire range of our products is quality checked on various parameters before the final delivery to the clients. Moreover, the customers can choose the industrial supplies after gaining the complete knowledge about the technology, materials used and other factors of the industrial supplies available with us.

Manufacturing Unit

We are widely known for the superiority of our products, which is widely acknowledged due to the advanced manufacturing unit that we have. We are equipped with the latest technology machines, which make the production easier and thus, help us in increasing the productivity and minimizing the labor-intensive procedure.

Why Choose Us?

Some reasons that made us a renowned firm are listed below :

- Cost-effective pricing
- Ability to manufacture bulk consignments
- Safe, secure, and prompt delivery service
- High-quality raw material usage
