VIDYA METAL MANUFACTURING CO. PVT. LTD.  
WINDING WIRES

Vidya Metal Manufacturing Company Private Limited, the flagship company of the VMI Group, is the technology leader and is one of the largest manufacturers of Super Enamelled Aluminium Winding Wire & Strips for both industrial and automotive applications in the Indian Electronic Industry.

# About Us

Vidya Metal Manufacturing Company Private Limited, the flagship company of the VMI Group, is the technology leader and is one of the largest manufacturers of Super Enamelled Aluminium Winding Wire & Strips for both industrial and automotive applications in the Indian Electronic Industry.

In India, Vidya Metal is the preferred supplier to major Inverter & Battery Manufacturers (OEM's & Replacement), Transformer Manufacturers, Indian Railways and to major PSU.

For our accomplishment story, we are grateful to our founder Mr. R.S. Tawar, whose continual backing and direction have been useful to us for attaining exponential development in the current market.

## Our Team

Supported by a highly capable team of professionals, we have been able to provide a durable range of products in various specifications. Our team comprises procuring agents, quality controllers, storekeepers and sales & marketing representatives, who strive hard to provide maximum satisfaction to clients.

## Supreme Quality Material

- Sourcing Aluminium and Copper from India's Largest Suppliers - Hindalco, Vedanta and others.
- Imported Best Class Enamel from Elantas or Dr Beck.

## Advanced Machinery & Technology

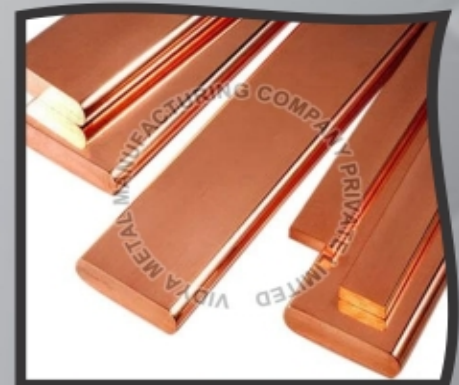

- Enamelling on imported machines.
- Inline pinhole testing.
- Inline wire outer diameter testing.
- Concentricity Measurement

## Personalized/Custom-made Solutions

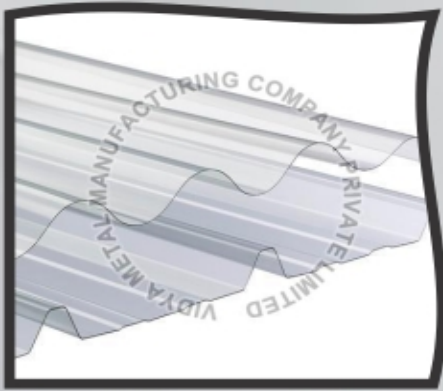

- Availability of all grades and sizes as per the customer requirement.
- Internal R&D team.
- Product Upgradation.

## International Quality Management System

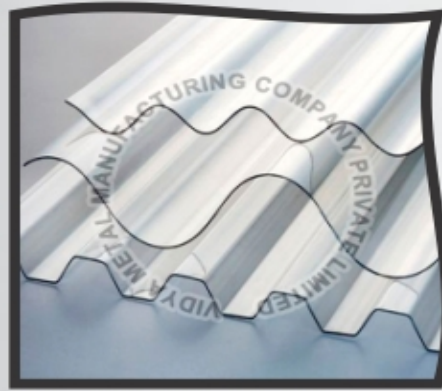

- ISO 9001:2015 & ISO 14001:2015 certified.
- All of the products are UL approved.
- RoHS compliant products.
- Eco-friendly.
