Kamvan Industries is a leading mustard oil ,mustard oil cake and Bio mass Briquette producer in the northwestern region of India. An essential oil in India, it is considered a staple among the various cooking oils. Every Indian cuisine requires mustard oil for its preparation.

We at Kamvan Industries understand how important it is to serve our customers with oil that is pure and unadulterated. So we have developed the latest technologies and machinery at our plant in Bharatpur in Rajasthan to bring to our customers oil that is absolutely pure and refined.

Your food is never complete without our brand of cooking oil. We make sure the production process does not entail any human touch to prevent any sort of contamination. We can guarantee you that our oil is so safe that even the smallest child or the elder most people in your family are safe with the consumption of our oil.

You can safely entrust the lives of your family and, we will safely deliver to you what we promise. Mr. Ankur Khandelwal and his team are working relentlessly every day to ensure that we can keep our commitment to the people of India and deliver quality. We are one company that does not believe in compromising on our quality because we believe in serving our customers first.
