ABOUT US

QCLI SURVEY
INSTRUMENTS PRIVATE LIMITED

Incepted in 2015 as an individual (sole proprietorship) in Hyderabad (Telangana, India), "QCLI Survey Instruments Private Limited" is a renowned Supplier & Distributor of top-quality Bosch equipment, including Bosch Line Laser Levels, Bosch Laser Distance Metres, DGPS Systems, Galaxy G7 DGPS Systems, Portable DGPS Systems, South N6 Total Station, South Automatic Level, Electronic Theodolite, Mini Prism Pole, and Handheld 3D Laser Scanners. All the products are highly praised for features such as high functionality, easy fitting, a fine finish, and a long working life.

QCLI Survey Instruments Private Limited has a team of deft professionals headed by "Mr. Anand" (the founder), who helps the whole team comprehend the client's exact needs.

Our Infrastructure

QCLI Survey Instruments Private Limited has a state-of-the-art storage unit that is supported by sophisticated machinery. We always endeavor for constant technological advancements to make sure we add considerable value to the products we make. We first understand the demands of the customers and work accordingly.

Why Us?

We have achieved remarkable success in the industry owing to our skill in providing outstanding quality products at the best price. Different factors that have supported our success in the domain are :

- High-tech infrastructural unit
- Matchless-quality products
- Capable workforce
- Clear dealings
- Good financial standing
- Wide distribution network
- Easy payment modes
