Nature of Business
Pharma Marketing & Supplier

Xylose Pharma is located in Hyderabad, Telangana, India and was founded in the year 2015. Since then, we have been putting our level best efforts to be the best of our kind and have been successful in achieving the same. We have been associated with doctors of nephrology, urology, neurology, and physician predominantly and catering to hospital, institutions, retail outlets and patients.

Infrastructure

We cater a very healthy and hazard free environment keeping in mind the delicateness of the tablets and capsules. We have good storage facilities in the stores and we do a regular cleanup of the whole area to keep it germ free.

Our Team

We are supported by a team of experts, who meticulously supply the medicines when and as needed. We have been working closely with each of our customers and have maintained a record of timely delivery of the best products.

Client Support

We have been building our clients since the day of our establishment and have been successful in creating the kind of image that we initially planned for. Our loyal customers take pride in announcing about our profound services in different public platforms like blogs, reviews etc, since client satisfaction is our foremost priority.
