Founded in 2012, Krupa Machine Tools has become a trusted name in Morbi, Gujarat, for delivering top-quality equipment catering to the ceramic industry. Led by dynamic partners Mr. Maganbhai Prabhubhai Patel, Mr. Ashvinbhai Maganbhai Patel & Mr. Kiritbhai Maga, the company takes pride in offering a comprehensive range of reliable and efficient machines.

Krupa Machine Tools specializes in providing essential tools for the ceramic glazing process. Their flagship product, the Glaze Line, ensures smooth and consistent application of glazes, enhancing the quality and appeal of finished ceramic products. Additionally, the Glaze Line Turning Table optimizes workflow and production efficiency.

For robust machinery components, Krupa Machine Tools offers the Mild Steel Ceramic Gear Box, known for its durability and performance. They also cater to spray-painting needs with their Double Disc Spraying Booth, featuring efficient ventilation and a user-friendly design.

No glazing equipment is complete without a reliable pump, and Krupa Machine Tools delivers with their Ceramic Glaze Pump. This pump ensures precise and controlled glaze flow, minimizing wastage and maximizing consistency. The company even provides Pressure Blowers for optimal drying and cleaning, completing the ceramic production cycle.

Krupa Machine Tools is committed to exceeding customer expectations. They prioritize quality in every aspect, from sourcing durable materials to employing skilled technicians for manufacturing and servicing. Their dedicated team ensures prompt and efficient after-sales support, keeping customers up and running.

By consistently delivering reliable products, commendable services and industry leading prices, Krupa Machine Tools has carved a niche in the Morbi ceramic industry. They aim to continue supporting the growth and success of local businesses by providing the tools they need to create beautiful and functional ceramic products.
