About Us

Sunshine Polymers is a sole proprietorship organization based in Kolkata (West Bengal, India). The organization became operational in the 1980 and is being flawlessly managed by Mr. Akshoy (proprietor). His in-depth industry experience and sincerity motivate our workforce to bring forth outstanding quality products in the market.

INFRASTRUCTURE

We have set up a robust infrastructural set-up. Well-installed with latest machines, sophisticated technology and equipment, our production unit is capable of delivering high performance range of products. For smooth and flawless work, our huge infrastructural unit is divided into various units such as production, quality testing, sales and marketing, etc.

TEAM

We are supported by a skilled team of professionals, who have great personnel acumen and rich industry experience. Also, we have highly skilled technicians to operate all the machinery and tools installed at the facility. The team also includes engineers, quality controllers, sales and marketing executives, warehousing personnel, etc.

QUALITY CONCERN

Ours is a customer-centric company that has reinforced its foothold strongly in the international market. We are quality driven, and we strive to offer a quality assured product range to our esteemed clients. For making our entire product range flawless, we ensure that the entire range is rigorously tested on well-defined quality parameters by our quality controllers.

Our Services

HDPE PIPE COLLAR

By making use of quality packing material, we are able to ensure that the orders will remain free from damage during transit. Also, our expert packing personnel strictly check the entire lot before final dispatch. We are a quality centric organization, offering the best-in-class products that are manufactured using the experts approved and certified raw material procured from reliable sources.
