

# Super Seals

Super Seals is one of the well-known organizations that are engaged in providing proof caps, tubes, and similar other industrial tools. We are a noteworthy manufacturer and supplier of aluminum foil roll, aluminum pilfer proof cap, BOPP film, PVC shrink film, aluminum foil pouches, induction sealing wads, aluminum collapsible tubes, and laminated tubes.

**SUPER SEALS** is one of the well-known organizations that are engaged in providing proof caps, tubes, and similar other industrial tools. We are a noteworthy manufacturer and supplier of aluminum foil roll, aluminum pilfer proof cap, BOPP film, PVC shrink film, aluminum foil pouches, induction sealing wads, aluminum collapsible tubes, and laminated tubes. The above-mentioned product range is manufactured at our well-furnished infrastructural facility that is managed by our efficient teams. Our teams coordinate with each other in order to conduct the business operations smoothly. Customers can place their orders for our product range at the most reasonable prices. Our distribution network is spread across the major markets of India.

**SUPER SEALS** is a name that is counted amongst the prominent manufacturers and suppliers of a wide variety of tubes, proof caps, etc. It is operating from its headquarters based in Nashik (Maharashtra, India). The company Super Seals was established in the year 1986. With an experience of over 3 decades, we have gained a high reputation in the industry.

### OUR INFRASTRUCTURAL FACILITY

We are backed by a widespread infrastructural facility, which is equipped with the most modern machinery and tools. Our infrastructure is constructed in various divisions like procurement, manufacturing unit, packaging unit, warehousing unit, logistics unit, and quality control.

### LOGISTICS DEPARTMENT

We have hired a team of skilled logistics professionals. Our logistics team maintains our fleet of vehicles like trucks, conveyors, etc., for conducting safe transportation of the products. They ensure that each product reaches the right destination safely within the stipulated timeframe.
