ABOUT OUR COMPANY

Established in the year 1990, Vision Exports has marked its prominence as Finished Leather Products Manufacturer and Exporter in India. Capitalizing on such a vast experience of more than two decades, we have expanded our network all over the world, with offices in Delhi and Kolkata, along with wide marketing association in Kanpur. Our Finished Leather Products include Ladies Leather Bags, Designer Brown Leather Bag, Leather Wallets, Leather Gents Purse, Leather Ladies Wallets, and several other variants.

Infrastructure

A well-developed infrastructure is the back bone of our company. We have substantially invested in manufacturing facilities and technology for the curing, soaking, de-hairing, tanning, splitting, sorting, dyeing, drying, and finishing of the leather. In addition, we periodically inspect the machinery and review technology so that there is no interruption in conducting the operations.

Why Us?

Here are some of the factors that testify why we are distinguished amongst our counterparts:

- We are faithful entity following the criteria and standards of quality specified by the authoritative bodies.
- We are one-stop destination to get world-class Genuine Leather Products.
- The mantra of our success lies in consistency in quality, positive feedback of clients and timely deliveries of the products.
- With the resoluteness to maintain long lasting relationship with buyers, we undertake bulk orders and provide satisfactory customized solutions.

Quality:

We have emerged as indubitable Leather Products Manufacturing Company in India by bringing forth offerings that are processed, designed and finished to meet the highest levels of quality. Quality being the overriding concern since our very beginning, our entire Leather Product line is closely monitored by quality analysts. All the products are tested as per the parameters set by Indian and international quality bureau.
