

Category : Cockroach Gel

Product name : Hy-Kill Cockroach Gel

Features (Same for 10 / 20 / 35gms) :

1. **Effective & quality** : High-performing gel bait product targeting all pest species of cockroaches.
2. **Advanced protection formula** : Advance performance compound, cockroach gel bait combines a high-consumption bait mix with attractive feed fragrance to attract cockroaches.
3. **Gel fragrances** : Cockroaches attract due to odor of gel and eat the bait and take it to their nest to share bait, resulting in killing other cockroaches and destroying the nest.
4. **Quick control cockroach population** : Cockroaches cannot resist this superior combination and even the toughest populations are quickly controlled.
