SEALEN ENGINEERING LLP

Mr. Faiyaz Hanif Sunasra

**Year of
Establishment
2010**

SEALEN ENGINEERING LLP an ISO 9001: 2015 certified company with an intense knowledge and rich experience which has helped us to achieve the leading position in precision industries. We are engaged in designing, manufacturing, repairing and supply of mechanical shaft seals, catering to the Chemical Industry, Petrochemical Industry, Food & Beverages, Paint, Paper Industry, Refinery, Agitator OEMs, Pump OEMs, Cement, Drugs & Pharma Industry, Ship Building, Power Generation, Steel Industry, Fertilizer Industry etc.

Our legacy of over years has driven us constantly to grow with the challenging needs of superior sealing technology. Our engineering specialists at SEALEN ENGINEERING are experienced in application know how and trouble shooting.

We have in-house testing facility to carry out all the testing operations for delivering the most desired result of Industrial Mechanical Shaft Seals to the clients. The contribution of the company to the success can be well gauged by satisfied customers and long lasting relationship.

We serve our customers by performing our tasks in a timely, consistent and accurate manner.

QUALITY POLICY

We at SEALEN ENGINEERING commit to achieve high level of customer satisfactory by providing HIGH QUALITY MECHANICAL SHAFT SEALS. We shall seek towards EXCELLENT QUALITY & overall growth through continual improvement in our system. Competing prices is not always the criteria. Longest Mean Time Between Failure is always considered while designing the seal.

THE QUALITY PROGRAMME

Since its initiation "Sealen Engineering" has created its own quality standards which operates at each stage of product development, manufacturing and procurement. We ensures that every seal is precise and reliable and product development, manufacturing and procurement. We ensures that every seal is precise and reliable and including production sales and service support.

SALES AND SERVICES

The ideology of "Sealen Engineering" is to satisfy the customers beyond the mere delivery of highly reliable products. It extends to understanding the application and the service conditions and to design the mechanical shaft seal in order to maximize its reliability and capability.

OUR AIMS

We are influence by those objectives to achieve customers satisfaction since company started Designing and manufacturing Mechanical shaft seals. "To provide the industry with reliable and economical quality mechanical shaft seals for a smooth and hassle free operations to their plant & equipments".

Our Capturing Market Sectors

Who are in extremely love with eco friendly system..

- Chemical
- Petrochemical
- Food & Beverages
- Paint
- Refrigeration
- Cement
- Pharmaceutical
- Ship Building
- Power Generation
- Steel Industries

Below Rs. 0.5 Crore Approx.

SRB 20 Rubber Bellow Seal

SRB 10 Rubber Bellow Seal

SRB 30 Rubber Bellow Seal

CS 100 Conical Spring Seal

SRB 40 Rubber Bellow Seal

SCV 120 & SCO 130 Conical Spring Seal

WSU 300 & WSU 310 Conical Spring Seal

MSO 30B & MSW 40B Multi Spring Seal

MSO 10U & MSW 20U Multi Spring Seal

MSOP 60 Multi Spring Out Of Product Seal

MSOP 70 Multi Spring Out Of Product Seal

MSOP/C 170 Multi Spring Out Of Product Cartridge Seal

MSOP/C 160 Multi Spring Out Of Product Cartridge Seal

MSRPB 50 Multi Spring Reverse Pressure Balanced Seal

MB 630 Metal Bellow Seal

MB 610 & MB 620 Metal Bellow Seal

TBM 510 Teflon Bellow Seal

HPB/C 280 High Pressure Cartridge Balanced Seal

SS 1010 Split Seal

DRS 710 Dry Running Seal

WRBG 820 Wet Running Seal With Bearing

**DBS 920 & DBS 925 Double
Balanced Mechanical Seal**

**WRS 810 Wet Running Seal
Without Bearing**

**DUS 910 & DUS 915 Double
Unbalanced Mechanical Seal**

Flexible Graphite Sheet

Rotary Joint

Bearing Isolator

**Manufacturer,
Supplier and
Exporter**
