Om Shri Sai Ram Industries was established in Bhilai (Chhattisgarh) by our esteemed Proprietor, Mr. Manoj Kumar & Mr. Deelip Kumar, and holding vast industry experience. Since 2005, the company is flourishing under his expert mentorship and guidance.

Clientele

Offering quality products, we have ascertained huge clientele. Our clientele is increasing every day to reflect the genuineness of our products. Moreover, we also make consistent and diligent efforts to establish as well as maintain long-term relationship.

Quality Policy

Quality is our forte and only quality tested products reach the clients. We have appointed a team of professionals who perform several tests on the procured range. Also, we have conducted various tests at our testing laboratory for all the equipments.

Team Support

With the expertise and dedicated efforts of our team, our company has achieved newer heights of success in the industry. Our professionals make the most of their industry experience while executing their jobs and to devise innovative products.
