Naksh Polyplast, a premier Manufacturer, Exporter, and Supplier of high-quality construction products based in Rajkot, Gujarat. Founded in 2018 by Mr. Nasit Nehaben Jigneshbhai, our company has rapidly established itself as a trusted name in the industry, delivering innovative solutions that cater to a diverse range of construction needs.

At Naksh Polyplast, we specialize in an extensive range of products including PVC tile spacers, tile leveling clips, tile leveling systems, reusable tile leveller spacers, horizontal hold down toggle clamps, and epoxy grout. Our commitment to quality and precision ensures that every product we offer meets the highest standards of performance and durability. Whether you are a contractor, builder, or DIY enthusiast, our products are designed to facilitate ease of use and enhance the efficiency of your projects.

Our PVC tile spacers and tile leveling systems are engineered to provide superior accuracy and consistency in tile installation, helping you achieve flawless finishes every time. The reusable tile leveller spacers we offer are a testament to our dedication to sustainability and cost-effectiveness, allowing for repeated use while maintaining exceptional functionality. Our horizontal hold down toggle clamps are crafted for robust and reliable clamping in various applications, while our epoxy grout provides a resilient and attractive finish for tiled surfaces.

Driven by a passion for innovation and customer satisfaction, Naksh Polyplast is dedicated to providing top-notch products that address the evolving needs of the construction industry. Our state-of-the-art manufacturing facility in Rajkot is equipped with advanced technology and operated by a skilled team committed to excellence. We continuously strive to enhance our product offerings and processes to stay ahead of industry trends and deliver unmatched value to our clients.
