Vishal Essential Oils & Chemicals was founded in 1994 by Mr. Rishi Kumar Gupta, a talented visionary businessman. The company started as a trading firm with the product range of Essential Oils & Aromatic Chemicals. Somewhere in the year 2000, we entered into the manufacturing of Essential Oils and Mentha Products. Since then we haven't taken a back and are successful in diversifying our product line with state of the art manufacturing facilities.

Quality Control :

Vishal Essential Oils & Chemicals is dedicated to quality and continuous process improvement for both customers and employees. The quality system at Vishal Essential Oils & Chemicals match some of the best in the industry and we believe it will significantly contribute to its performance and growth. Our chief responsibility is to ensure that through established standards & measurements, the level of quality in our products not only match but exceed our customer's expectations. With our stringent quality norms and latest quality instruments, we assure our clients with international quality standard products. To ensure high quality standards, we have highly sophisticated instruments including:

- Gas Chromatograph
- Spectroscope
- Refractometer

With our stringent quality norms and latest quality instruments, we assure our clients with international quality standards Essential Oils & Aromatic Chemicals.
