## ABOUT US

About EzBUyMEDS An International Online Pharmacy is an IOP (International Online Pharmacy), we do not have any physical store or we are not manufacturers of medicines or drugs. We are virtual traders. We have warehouses in countries like USA, UK, India, Indonesia, Thailand, Malaysia and Hong Kong. We deliver your orders through your nearest warehouse.

### WHAT WE DO:

We take online orders from all over the world and deliver the goods to our customers in good condition.

### HOW WE DO:

Our Step By Step Mechanism Is As Follows.

- ★ The customer makes an account on our website.
- ★ The customer fills out his/her billing and shipping addresses and places an order of desirous products and quantity.
- ★ After placing order, customer gets an email of order receipt.
- ★ Then the customer makes a payment through the method selected during order checkout process.
- ★ After that our team packs the products into a package and then sends to our customer through anyone of the shipping methods mentioned in shipping information page.
- ★ In 48 Hours of payment our team provides the customer with tracking details of his/her package.

Within 12 working days the parcel reaches its destination. Its guaranteed delivery. Free reship in case of any delivery trouble.
