Kajal Brass Products

Precision Components Manufacturer

About Us

Kajal Brass Products is a Jamnagar (Gujarat, India) based company offering the best quality products that conform to the national and international market standards. Established in the year 1999, we have gained huge recognition in the market of Brass Cable Glands, Brass Male Bush, Electrical Conduits Brass Bush etc.

Our Team Our team has the potential to provide the best to the clients with their vast expertise and skills. The company has recruited a highly skilled team of professionals including:

- Designers
- Engineers
- Logistic professional
- Quality controllers Researchers
- Technicians
- Warehousing and packaging experts

Why Us? We have become one of the prime players of the market using advanced technologies and high-quality materials in the production to ensure to provide superlative range. Owing to large production capacity, we have been able to meet urgent and bulk demands of the patrons in the most efficient manner. Wide distribution network, timely- delivery of products and affordable prices, we have gained maximum customer satisfaction.
