

# BOOST ELECTRONICS

AN ISO 9001-2015 COMPANY

Established in year 1991, we “Boost Electronics” are one of the renowned firms engaged in distributing products of Cast Resin Transformer, Low Voltage Instrument Transformer, Medium Voltage Instrument Transformers, High Voltage Instrument Transformer, Transformer Bushing and many more. In addition to this, we also render Testing Services, Relay Programming Service, Breaker Maintenance Service, Transformer Maintenance Service and many more.

We also provide Carbon Brush, Brush Holders, Sliprings for Induction Motors. These products are known for their high performance, functionality, efficient working and low maintenance.

## ➤ CARBON BRUSH

## ➤ CARBON BRUSH HOLDER

## ➤ LOW VOLTAGE INSTRUMENT TRANSFORMER

Wound CT Low Voltage Instrument Transformer

Ring Window CT Low Voltage Instrument Transformer

Block CT Low Voltage Instrument Transformer

Control Low Voltage Instrument Transformer

## ➤ TRANSFORMER BUSHING

RYB and Spout Bushing

Seal Off Bushing

Terminal Plates Transformer Bushing

RMU Transformer Bushing

## ➤ ELECTROMECHANICAL RELAY

Master Trip Relay VAJH VAJSVAJHM Tripping Relays

MiCOM P111 Model L Numeric Relays

Alstom cag Relay

Micom P111 Model E Numeric Relay

## ➤ BREAKER CONTROL SWITCHES

50 AMP. Breaker Control Switch

25 AMP. Breaker Control Switches

32-40A Breaker Control with Ee Type Handle

32 A Breaker Control Switches

## ➤ **MEDIUM VOLTAGE CURRENT AND POTENTIAL TRANSFORMER**

Wound CT Medium Voltage Instrument Transformer

Bar CT Medium Voltage Instrument Transformer

Earthing Trunk VT Medium Voltage Instrument Transformer

Gun Type VT Medium Voltage Instrument Transformer

## ➤ **BREAKER COIL AND SOLENOIDS ACTUATORS**

Magnetic Contactor Coils

Circuit Breaker Coils

Electromechanical Relays

Directional Control Coils

## ➤ VOLTAGE DETECTING SYSTEM

Voltage Detection Insulator

Voltage Detecting System

Voltage Indicator Unit

## ➤ SUPPORT INSULATOR

Transformer Support Insulator

33kV Support Insulator

11kV Support Insulator

## ➤ TESTING SERVICES

Relay Testing Services

Protection Panel Testing Service

Circuit Breaker Testing Service

Transformer Testing Service

## ➤ SMC AND DMC COMPONENTS

ABB Vmax EN'Bloc Housing

SMC and DMC Components

ABB VD4 Monobloc (PanelBody Spout )

## ➤ OTHER PRODUCTS

RMU CT Low Voltage Instrument Transformer

Directional Control Pull Tube

CRT Transformer

CSS Transformer

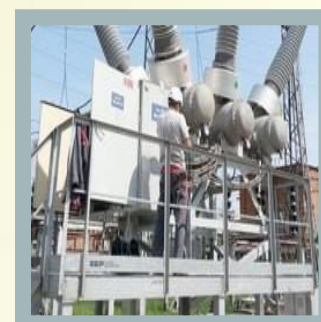

PT Fuses

Voltage Metering Panel

Relay Programming Service

Transformer Maintenance Service

## ➤ OTHER PRODUCTS

16A Off-On Selector Switch 2Pole 250V AC

Breaker Retrofitting Service

Breaker Maintenance and Servicing

Rotary Switches

OIP Bushing

High Current Bushing

MiCOM P120 Numeric Protection Relay

LV Transformer Bushing

## ➤ OTHER PRODUCTS

High Voltage Current  
Transformer

High Voltage Potential  
Transformer

Fixed Type VT Medium Voltage Instrument Transformer
