

DOG COLLAR

- Our heavy duty Petslike dog collar with metal buckle is built using 3mm thick rip and fray-proof ballistic polyester and spun polyester with accent stitching to create the perfect combination of durability and design aesthetics.
- With premium quality buckle and hardware, our collars are more secure and longer lasting than PP buckle dog collars.
- Petslike dog collar allows for tighter control of your dog's movement when waiting for traffic, in a crowded space, or to secure your dog through anxious situations or for a normal walk.

Please contact us for any question that we will provide a best Solution for you. Here will offer a 7/24 reply service.
