

DOG TOYS

- These chew toys are made of thick and tight cotton ropes which are non-toxic & durable, absolutely safe for your dogs. Specially designed for small, medium large dogs, keep your dogs busy & not be bored any more.
- Dogs are chewers by nature, when teething, boredom, loneliness, stress relief will chew everything. Our dog chew toys designed for chewing dogs to protect your home (like shoes, sofa, pillows) from chewing.
- Dog chewing helps to maintain dental hygiene by flossing the teeth and massaging the gums. Machine washable so your house stays free of harmful bacteria.
