2019

D2K Packaging Private Limited, where innovation meets excellence in packaging solutions. Founded in 2019 by the dynamic Ajit Shewani and Shanker Duseja, our company is rooted in the vibrant city of Pune, Maharashtra. With a mission to redefine packaging standards, we have quickly emerged as a leading manufacturer and exporter of high-quality stretch films.

At D2K Packaging, we specialize in a diverse range of stretch films designed to meet various industrial and commercial needs. Our product portfolio includes both hand grade and machine grade stretch films, catering to a wide array of applications. Our hand grade stretch films are available in several variants, including 5-layer, anti-static, colored, plain, printed, transparent, and VCI options. Each type is engineered to provide superior performance, ensuring that your products are securely wrapped and protected.

Our machine grade stretch films, similarly diverse, come in 5-layer, anti-static, colored, plain, printed, transparent, and VCI versions. These films are crafted to offer exceptional strength and clarity, making them ideal for automated packaging processes.

The foundation of D2K Packaging is built on a commitment to quality and customer satisfaction. Our state-of-the-art manufacturing facilities utilize advanced technology and rigorous quality control measures to ensure that every roll of stretch film meets the highest standards. We take pride in our ability to deliver products that not only meet but exceed the expectations of our global clientele.

Our founders, Ajeet, Shivani, and Shankar Duseja, bring a wealth of experience and a passion for innovation to the company. Their vision drives our continuous pursuit of excellence, and their leadership inspires our dedicated team to push boundaries and achieve remarkable results.

At D2K Packaging, we believe that our success is intertwined with the success of our clients. As we continue to grow and expand our offerings, we remain steadfast in our commitment to providing reliable, high-quality packaging solutions that enhance the efficiency and effectiveness of your operations.
