Hare Krishna Alum And Chemicals was established by the CEO, Mr. Mukesh Lohiya, in the year 2007 at Bhilwara (Rajasthan, India). With his extensive and rich industry experience of 31 years, we have been able to make a mark in the industry. and represent company as **THE ONLY MANUFACTURING PLANT IN RAJASTHAN, MANUFACTURING AMMONIA ALUM** and ferric alum, alum powder, non ferric alum of all kinds being single unit in india manufacturing all types of alum under single roof spreaded in 23,000 sq. feet area. our company is also certified under Bureau of indian standards (BIS certified) for major products manufactured here.

INFRASTRUCTURE

Our expansive plant is surrounded by the lush green trees and equipped with the advanced and modern technology to manufacture alum : with well equiped and innovative lab to check each batch manufactured here before dispatch so as to provide best quality to our valuable customers.

The plant has the annual capacity to produce more than 6000 TPA of alum, which is increasing each year

OUR TEAM

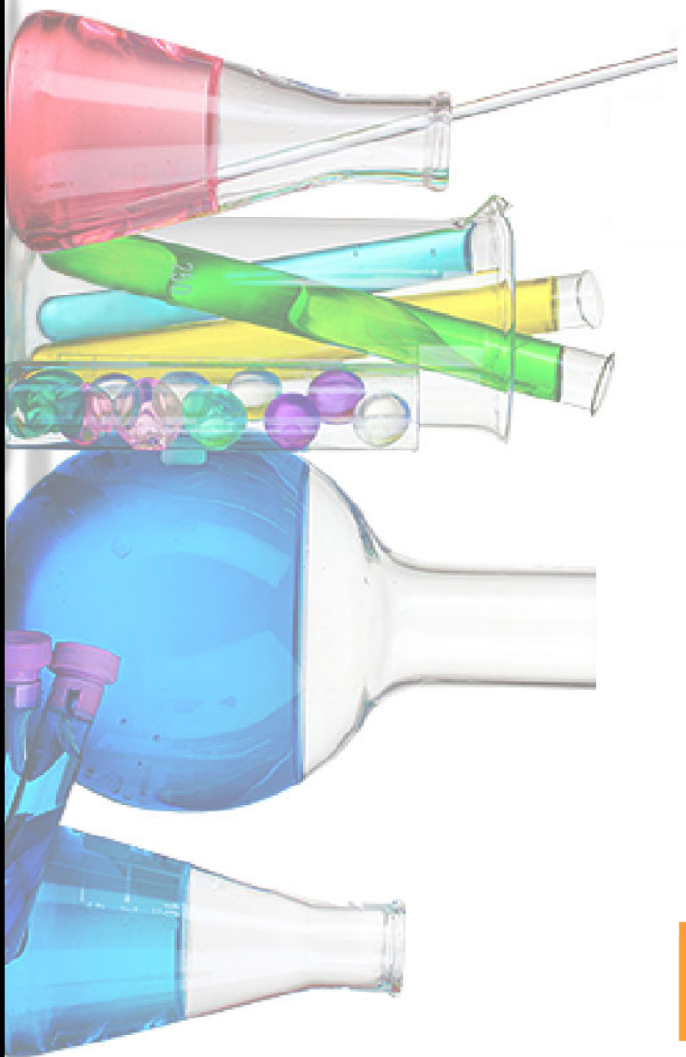

We are supported by a team of experts, who meticulously work to produce and supply the market with adequate amount of alum. The team consists of 16 highly motivated professionals. Our professionals are well trained and experienced in their respective fields.

QUALITY

We do not compromise with the quality of our products at any cost. And for that, we procure the raw material needed from reliable and trustworthy vendors. Also, our products are examined by our quality inspecting team to ensure highest-grade quality.

Phitkari/Fitkari

Specifications

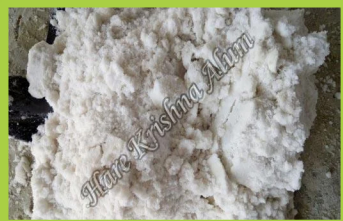

Purity	::	99%
Used In	::	White Paper Industry, Textile Industry, Medicine Industry, Water Treatment Industry
Form	::	Stone
Features	::	Long shelf life, Non toxicity, Unmatched quality
Scientific Name	::	Aluminum Potassium Sulfate
Purity	::	100%
Type	::	Natural
Application	::	Building construction concrete casting

Alum

Specifications

CAS No.	::	4322
EINECS No.	::	998
Form	::	Solid
Colour	::	White
Packaging	::	Customise
Usage	::	Industrial, Laboratory, Personal
Sample Availability	::	Yes, Contact Us for Information Regarding Our Sample Policy

Alum Powder

Specifications

Application	::	Water Purification
Color	::	White
Form	::	Powder
Usage	::	Industrial
Purity	::	100%
Storage	::	Cool and Dry Place
Packaging Details	::	In 50 kg HDPE bags

Alum Lumps

Specifications

Purity	::	99%
Form	::	Solid
Colour	::	White
Packaging	::	Customise
Usage	::	Industrial, Laboratory, Personal
Appearance	::	White Crystal
Sample availability	::	yes, Contact us for information regarding our sample policy

Ferric Alum

Specifications

Purity	::	99%
Alumina %	::	Different in Different Grades
Insoluble	::	Variable in Different Grades
Form	::	Solid
Application	::	Lab, Industrial, etc
Packaging Size	::	50kg

Non Ferric Alum

Specifications

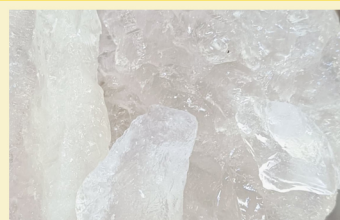

Form	::	Solid
Application	::	Lab, Industrial, Etc
Purity	::	99%
Packaging Size	::	50kg
Alumina %	::	Different in Different Grades
Insoluble	::	Variable in Different Grades
Packaging Details	::	In 20 kg +- 2 kg in naked slabs

Aluminium Sulphate

Specifications

Type	::	Non Ferric
Purity	::	Min 95%
Appearance	::	White
Alumina%	::	17%
Usage	::	Industrial
Packaging Details	::	50 kg in HDPE bags
Quality	::	Optimum

Aluminum Ammonium Sulfate

Specifications

formula	::	$(NH_4)Al(SO_4)_2 \cdot 12H_2O$
Usage	::	Industrial, Laboratory, Personal
Form	::	Solid
Colour	::	White
Packaging	::	Customized
Molecular Weight	::	453.33
Sample availability	::	Yes, Contact us for information regarding our sample policy

Ferric Alum Powder

To deliver the products in a safe manner at customer's end, we have exceptional ware-house management system. We have a voluminous warehouse, installed with all required facilities essential for safe storage of the orders. Since inception, we are serving diverse demands of the buyers by making available plentiful array of FERRIC ALUM POWDER in the domestic market.

Ammonia Alum Raw Powder

Specifications

Application	::	Water Purification
Purity	::	99%
Color	::	White
Form	::	Powder
Packing Size	::	50 Kg
Packaging Details	::	In 20 kg naked slabs
Usage	::	Lab, Industrial

Liquid Alum

Specifications

Form	::	Liquid
Colour	::	Light green
Packaging	::	Customized
Usage	::	Industrial, Laboratory, Personal
Sample Availability	::	regarding our sample policy Yes, Contact us for information
Quality	::	Optimum

White Ammonium Alum

Specifications

Purity	::	99%
Form	::	Solid
Colour	::	White
Packaging	::	Customise
Usage	::	Industrial, Laboratory, Personal
Sample Availability	::	Yes, Contact Us for Information Regarding Our Sample Policy

Non Ferric Alum Lumps

With us, clients can stay assured for secure, safe and hassle free transactions. Our payment proce-dures are easy to use and guarantee confidentiality of the transaction. Purchasers across Bhilwara(India) and other market places can get in touch with us for buying our prod-uct as per requirement.

Non Ferric Alum Powder

Raw material that is used for pre-paring the offered lot is sourced from the genuine vendors. Also, we procure it only after complete qual-ity inspection. We are staffed with a team of deft professionals who diligently furnish varied require-ments of the clients and ensure qualitative packaging of the placed orders.

Special Grade
Ammonium Alum

Specifications

Purity	::	99%
Appearance	::	White Crystal
Form	::	Solid
Usage	::	Lab, Industrial
Pack Size	::	10 kg, 50 kg, etc
Feature	::	Super white material without smell.
Location	::	Anywhere in India

Ammonium Sulphate
Grade 1

With characteristics like unmatched standard and superior grade, our range of product is the finest one obtainable in Bhilwara(India). Our quality analysis system is headed by experienced quality audi-tors who check each and every product at different levels.

Ammonium Sulphate
Grade 2

Our organization is endowed by a massive circulation system that allows us to reach purchasers wherever and distribute orders on schedule. Be it seasonal supply, wholesale supply or quick delivery, we are capable of entertaining all your requirements as we have state-of-the-art stor-age space to keep the stacks of the products in an organized manner.
