Shree Shyam Machinery Makers is an industrial machinery manufacturing, exporting and supplying organization based in Punjab. The company specializes in the designing and production of sophisticated Lathe machines, boring machines, drilling machines, and grinding machines according to the needs of various industries.

Lathe Machines

Our lathe machine collection encompasses the V-Belt Drive Lathe Machine, Heavy Duty Lathe Machine, Extra Heavy Duty Lathe Machine, Oil Country Lathe Machine, and advanced CNC Lathe Machines. Our lathe machines are engineered for durability with precision and strength, hence the machines of choice in industries requiring strong and accurate machining.

Boring and Drilling Machines

Besides the lathe machines, we manufacture quality Horizontal Boring machines, Cylinder Boring machines and Double Boring machines, which can deliver excellent performance in precision boring. We design our Radial Drilling Machines and Geared Radial Drilling Machines to satisfy the requirements of numerous sectors in relation to complex drilling.

Grinding Machines

Our grinding machines consist of Vertical Hydraulic Surface Grinding Machines, Horizontal Hydraulic Surface Grinding Machines, Roll Grinding Machines, Cylindrical Grinding Machines, and Crankshaft Grinding Machines. Every unit that comes out of our factory is made to perfection to be functional and reliable in its operations.

Industrial solutions in Shree Shyam Machinery Makers are up-to-date with increased productivity and efficiency. Our equipment is built using robust materials and advanced technologies to meet diverse client needs.
