Our infrastructure

Our latest infrastructure helps us to supply the best quality products. Our wide distribution network is useful to make sure of the on-time delivery of the products. Having developed a well-capable manufacturing unit and an in-house design unit, we have been able to respond to the particular needs of our valued clients.

Our team

Our team comprises practiced professionals who use the best quality raw stuff to fabricate complete compliance matching up with the worldwide quality standards. We have an admirable example of providing highly efficient and quality products at lucrative prices as per clients' necessary quantities within the required time frame.

Rinku Minerals and Chemicals are working under the profound leadership of Mr. Mahesh Ojha (Founder). He holds vast experience and domain proficiency. This organization has productively carved a respectable niche in this business. His business acumen, excellent credential, and trustworthy commitments have been highly appreciated by the clients.
