

PURUSHOTTAM & SONS

ABOUT OUR COMPANY

Purushottam & Sons are one of the popular Cardboard safety match manufacturers. We get an immense appreciation for manufacturing and supplying excellent quality eco-friendly Cardboard safety matches.

We are based in Sattur Virudhunagar(Dist), Tamil Nadu since 2010.

We offer products like captain safety matches, royal safety matches, chetak safety matches, Ghoda Gadi safety matches, home classic safety matches etc.

About Us

We offer safety matches that are completely made with high-quality wood. The safety matches we manufacture are available in different sizes. The safety matches we offer are 100% nature-friendly, good quality and windproof and therefore absolutely perfect for residential, commercial and smoking purposes.

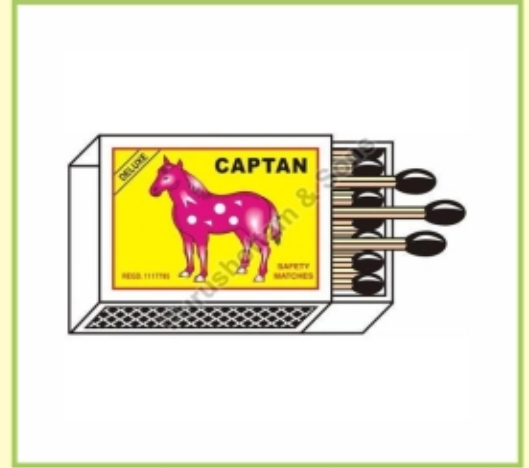

We stock all the above-cited products in repositories that are well-equipped. Our super competent make us capable of becoming one of the biggest suppliers of these products. Our team encompasses highly trained professionals who help us in offering the best quality safety match items.

All our safety match items are put for an explicit test to ensure maximum usefulness and performance. Since we concentrate most on client satisfaction, we always maintain a balanced association between the demand and supplying procedure.

All our safety matches are machine-made and are available all over India. We offer outstanding paper box packaging for all our safety matches products. We understand the urgency of order well and thus deliver our products with convenient delivery. Contact Purushottam & Sons to get the best quality Cardboard safety matches with the best offers.
