

*Danig Oversea is a prime exporter and supplier of fresh vegetables, cotton fibre, areca leaf plates, pure honey, mix pickle, raw rice, etc.*

## ABOUT US

**DANIG OVERSEA** is a prime exporter and supplier of fresh vegetables, cotton fibre, areca leaf plates, pure honey, mix pickle, raw rice, etc. We offer different fresh vegetables such as fresh red chilli, fresh round red chilli, fresh green keera leaves and fresh garlic. Our fresh vegetables are naturally grown and organically cultivated under the controlled conditions at our vendors' end. These vegetables are acclaimed for their delicious taste and high nutritional content. The areca leaf plates that we offer are accurately punched and cut using cutting-edge technology. These plates are widely used in various fast-food centers, hotels & restaurants, parties, weddings, etc. Moreover, our expertise in providing pure honey, mix pickle, raw rice, and many more have made us a hit name in the market of Kanyakumari. We are offering these products in different packaging sizes and in food-grade packaging. Contact us today and purchase our products at reasonable prices from us.

Danig Oversea is a Kanyakumari (Tamil Nadu, India) based firm, which is serving in the industry since 2016. The company is founded by Mr. M. Sathianesan. His determination and dedication have helped us a lot in achieving our set targets.

### We Deliver The Best

Danig Oversea believes in delivering the best and finest quality products to the clients. To maintain this belief, we consistently procure our entire range of products from trusted vendors in the market. Moreover, our products are quality-checked before delivering to the clients.

### Why Choose Us?

Choosing us can be your best decision, as our products belong to the supreme category and are fresh as well. Furthermore, our delivery experts are proficient in delivering these products to you within the allotted time.
