ABOUT US

ARD PHARMA, established in 2017 and headquartered in Nagpur, Maharashtra, is a leading supplier of a comprehensive range of pharmaceutical products catering to diverse medical needs. Under the guidance of its leader, the company has emerged as a trusted name in the healthcare industry, providing high-quality medications and healthcare solutions.

Specializing in anti-cancer medications, ARD PHARMA offers a wide array of products including Mitomycin 10mg Injection, Chlorambucil 2mg Tablets, Eleftha 440mg Trastuzumab Injection, and Lupride Depot Injections, among others. These medications are vital in the treatment and management of various types of cancer, ensuring patients have access to effective therapeutic options.

In addition to anti-cancer drugs, ARD PHARMA supplies a diverse range of pharmaceuticals covering areas such as skin care, diabetes management, kidney and dialysis treatments, oncology, cardiovascular health, HIV/AIDS, female healthcare, antibiotics, blood pressure management, antiallergic medications, infection control, ophthalmic products, transplant medicines, erectile dysfunction treatments, steroids, hair loss medications, pain relief, antidepressants, insulin pens, weight loss medications, rheumatoid arthritis treatments, epilepsy management, thyroid medications, COVID-19 kits, anti-asthmatic inhalers, multivitamins, worm infection treatments, and more.

The company prides itself on its commitment to quality, ensuring that all products meet stringent regulatory standards and undergo rigorous quality control measures. With a focus on customer satisfaction and well-being, ARD PHARMA aims to make a positive impact on global healthcare by providing access to reliable and affordable medications.

Driven by a vision to improve the quality of life for patients, ARD PHARMA continues to expand its product portfolio and geographical reach, striving to be a leading player in the pharmaceutical industry while upholding the highest standards of ethics, integrity, and professionalism.
