QUALITY PRODUCTS

BALAJI SURGICAL & DIAGNOSTIC

Balaji Surgical & Diagnostic is actively engaged in supplying superior quality disposable products. We offer various disposable products such as disposable gloves, disposable caps and disposable face masks. The disposable gloves that we make available are widely known for fine quality and are three times more resistant to perforations than natural rubber. These disposable gloves are stored and manufactured in a completely hygienic environment at our vendor' end. The synthetic polymer in our disposable gloves provides adequate protection against different chemicals and other harsh substances. Our disposable caps are widely used in the medical sector for preventing transmission of diseases. Moreover, our expertise in providing disposable face mask has allowed us to

About Us

Balaji Surgical & Diagnostic is actively engaged in supplying superior quality disposable products. We offer various disposable products such as disposable gloves, disposable caps and disposable face masks. The disposable gloves that we make available are widely known for fine quality and are three times more resistant to perforations than natural rubber. These disposable gloves are stored and manufactured in a completely hygienic environment at our vendor's end. The synthetic polymer in our disposable gloves provides adequate protection against different chemicals and other harsh substances. Our disposable caps are widely used in the medical sector for preventing transmission of diseases. Moreover, our expertise in providing disposable face mask has allowed us to gain a huge clientele all over Rewari. Our disposable face mask is used for delivering oxygen to patients afflicted with a breathing problem. We are offering our disposable products in a variety of lengths, sizes and specifications and as per the client's requirements as well. You can place your orders now and rest assured for the timely delivery. We are offering our disposable products at the most affordable prices to the clients.

Balaji Surgical & Diagnostic is located in Rewari (Haryana, India) and was established in the year 2019. Balaji Surgical & Diagnostic is owned and managed by Mr. Rahul. Under his leadership, the company has managed to outrun its competitors in the market in a short span of time.

The Storehouse

The Storehouse

Balaji Surgical & Diagnostic has its own advanced and spacious storehouse in Rewari. After procuring the products from the vendors in the market, we store them here in our storehouse. The main feature of our storehouse is that it is divided into various segments and allows us to store our products separately.

Our Clientele

We have a sizable clientele in Rewari. We supply our disposable products to numerous hospitals, dispensaries, and clinics in Rewari. Apart from this, we also supply our various disposable products in other parts of Haryana as well.
