

ADITYA TEA INDUSTRY

www.adityatea.in

Setting a benchmark in the industry from more than five decades, Aditya Tea Industry is involved in offering excellent quality tea leaves. We are the noted manufacturer and supplier of green tea, 100g black tea and loose black tea. The production of the green tea is done using the organic methods keeping aside the harmful chemicals. The processing process of our tea leaves is done in our state-of-the-art processing facility using advanced machines. In addition to this, we offer our tea leaves in quality packaging to ensure intact freshness and long shelf life. Customers can stay rest assured for the timely delivery of the orders.

Established in the year 1962, Aditya Tea Industry is involved in offering high-quality and impurities-free tea leaves. The organization

has attained a successful position in the nationwide market owing to the dedicated efforts of the mentors and team members.

Processing Facility

We are supported by a well-established processing facility where in the processing of the entire range of tea leaves takes place. We make sure that our unit remain updated as per the latest market developments.

Assurance For Quality

We make sure that our tea leaves meet the international quality standards. Thus, our quality auditors ensure that our tea leaves are accurately processed and remain free from any sort of adulterants.

Prompt Delivery

We deliver the orders within the postulated time frame as we are backed by superior transportation system. Furthermore, our wide distribution network aids us in reaching any destination across the nation with ease.

CTC Black Tea

Buyers can stay rest assured for the delivery of the orders as we are backed by the most sophisticated transit system. We have hired experienced quality auditors who stringently check the raw materials against varied quality parameters before procurement. Thus, we ensure quality products at buyer's end.

Loose Black Tea

We are based in Siliguri(India) and ensure to make available the entire range of products to any required destination. We keep a stern check on the payment procedures that we sternly follow and apart from this, we make a completely secured database that lists all the payments made and clients' details.

Rest assured us for the payments, as we use leading technologies for the same.

Gunpowder Green Tea

By making use of quality packing material and with the assistance of our experts, we are able to meet diverse packaging requirements of the clients with ease. Thus, we make sure zero damage at client's end. We have developed several offline as well as online options for the convenience of clients to ensure faster trade.
