# ABOUT US

Tirap Agri Clinic is a supplier of Large Black Cardamom. Besides, we deal in Fresh Vegetables -Fresh Ginger, Fresh Jackfruit, and Fresh Organic Turmeric. The entire product line is sourced from the trusted places after complete quality confirmation, stored at our facility and processed further as per the market demands. We are a group of quality-conscious people, thus we ensure that the offered products fulfill the quality criteria set by the authority.

Keeping the demands in notice, Tirap Agri Clinic expanded its product portfolio to Bamboo Drinking Straws, Flower Broom, and Tapioca Starch Powder. Buyers can count on us for processing retail and massive quantities of products in the promised timeline.

Tirap Agri Clinic was incorporated by Mr. Wangfyak Wangsu in 2011. His business management skills and ability to foresee the market trends have helped us in establishing a strong foothold in the area of operations. The company is headquartered in Longding (Arunachal Pradesh, India) and we operate with a network of dealers and distributors.

## Our Associates

At Tirap Agri Clinic, we have associations with distribution partners and dealers. With their strong support, we have been reaching our clients in a timely manner.

## Points to Ponder

- We are acknowledged for making on-time and doorstep shipments
- We undertake urgent and massive product orders
- We process demands for tailored packaging
- For the ease of the clients, we accept payment online and offline
- Processing of the placed orders in the promised timeline is assured with us
