Plastence Exim is one among the leading names in the realm of engineering. We are the noted manufacturer-supplier of the industrial products like the industrial strainers, valves, storage tanks, processing equipment, FRP products, plastic products, disposable filters, Plastic Pipe Fittings, Engineering Plastic Sheets & Rods, Speciality Components, Hose Pipe, domestic/industrial filter housings, braided hose pipes, suction hose pipes, rubber sheets, and trolley wheels. The company procures the raw material from the licensed vendors and processes the same for manufacturing the different industrial items. We make sure that only the flawless items are supplied to all our clients without any hassle. The interested customers can contact us for purchasing the industrial engineering items at a market-leading charge.

About Us

Plastence Exim was established in the year 2017 in Ahmedabad (Gujarat, India). Being a business-oriented company, we are indulged in providing the best to our clients at the lowest market rate. We utilize the world-class quality raw stuff for producing the sturdy industrial equipment that can perform for a prolonged tenure.

THE FACTORY

We own a vast and spacious factory. It is installed with the latest machinery and modern-day amenities. The machines are operated by the mavens and it reduces the manual work and thus, results in precisely manufactured equipment like the industrial strainers, valves, storage tanks, processing equipment, FRP products, plastic products, disposable filters, domestic/industrial filter housings, braided hose pipes, suction hose pipes, rubber sheets, and trolley wheels.

THE CLIENT-BASE

People usually have an opinion that a new entrant cannot establish itself immediately in the market, especially when its about industrial engineering. Proving others wrong, the hard-work of Plastence Exims employees fetched it an extensive clientele and a respected platform. We have our clients in different parts of Ahmedabad.

CHOOSE US

Choosing us can prove to be a bar of gold for you because :

- We are the new gen manufacturer-supplier of industrial engineering goods and know what is apt for the machines of today
- All industrial goods are manufactured and tested by the experts in this field. Only the flawless are selected and supplied further
- We do not charge any extra sum of money for the products we supply to the clients

OUR MISSION

To establish Plastence Exim as a World Class Business Organization comparable to the best in the Plastic Technology Business. To participate in Global Designing, Manufacturing & Sales activities so as to exceed best Industry Standard.

OUR VISION

Plastence Exim will be a Global Leader in Industrial Process, offering products & services so clearly in terms of Innovation, Quality, Delivery and Value that we are consistently the suppliers of choice.

Our Product

Ball Valves

Butterfly Valves

Diaphragm Valves

Flow Indicator Valves

Foot Valves

Non Return Valves

Chemical Storage Tanks

FRP Storage Tanks

HDPE Spiral Storage Tanks

Air Pollution Controllers

Centrifugal Blowers

Chemical Process Pumps

Chemical Reactor Vessels

Epoxy Fiber Glass Laminated Sheets

FRP Motor Guards

Frp Pipe & Pipe Fittings

FRP Pultruded Sections

Disposable Filters

Industrial Filter Housings

Trolley Wheels

Our Product

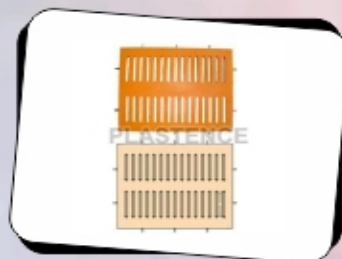

C – PVC Corzan Piping System

C-PVC Hot & Cold Water Plumbing System

Electro Fusion Hdpe Pipe Fittings

Gratings for Surface Drainage

HDPE Pipe Fittings

PP Pipe Fittings

PPH Pipes & Fittings

PPR Pipe Fittings

PTFE Lined Pipe Fittings

PVDF Pipe Fittings

Skyrise Pipe

Sprinkler Irrigation System

Sub Mersible Column Pipe

Underground Drainage System

UPVC High Pressure Plumbing System

UPVC Pressure Pipe and Fittings

UPVC SWR Drainage System

ABS Sheet Rod Vacuum Forming Machining Components

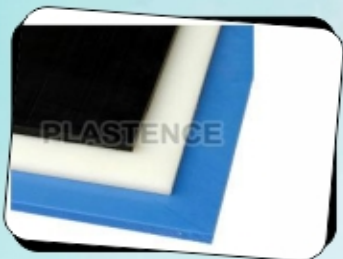

Bakelite (Hylam) Sheet Rod Bush Parts Machining Components

E CTFE Sheet Rod Welding Rod Machining Components

Our Product

PA (Nylon) Sheet Rod Bush-parts Machining Components

PBT Sheet Rod Machining Components

PC (Polycarbonate) Sheet Rod Pipe Machining Components

PE HD Sheet Rod Welding Rod Machining Components

PE-UHMW Sheet Rod Bush Parts Machining Components

Pek Sheet Rod Pipe Machining Components

PEI (Ultem) Sheet Rod Machining Components

PET Sheet Rod Machining Components

PMMA (Acrylic) Sheet Rod Tube Pipe Square Bar Hinge Profiles

POM C Sheet Rod Bush Parts Machining Components

PP CP Sheet Rod Welding Rod Machining Components

PP H Sheet Rod Welding Rod Parts Machining Components

PTFE (Teflon) Sheet Rod Flexible Tube Pipe Bush Hollow Bar Machining Components

PVC C Sheet Rod Welding Rod Machining Components

PVC U Sheet Rod Welding Rod Parts Machining Components

PVDF Sheet Rod Welding Rod Machining Components

Plastic Pipe Fittings

Basket Type Strainer

Duplex Strainer

Tee Strainer

Our Product

Temporary Strainer

Y Type Stainer

Rubber Molding Parts

Rubber Sheets

Cooling Tower Spray Nozzle
