ABOUT US

Electrotek Static Controls Private Limited is a firm that offers the premium quality ESD products for scientific, industrial and defence applications. We are a remarkable manufacturer, exporter, and supplier of conductive tape, antistatic tape, dual bench mount common point ground, ESD waste paper basket, cordless wrist strap, PP corrugated bin, surface resistivity meter, and much more. With a belief of building up long-term relationships with customers, we are delivering them with high quality products and excellent post-sale services.

Our major goal is to satisfy our customers' requirements by building innovative solutions for the control of static in pharmaceutical, electronics, and manufacturing environment. Ours is a value-driven organization that focuses on meeting the expectations of our clientele completely. Customers can buy these ESD products from Electrotek at a reasonable price range. Deeply rooted in Bangalore (Karnataka, India), Electrotek Static Controls Private Limited is one of the distinguished organizations involved in the business of manufacturing, exporting and supplying the finest range of ESD products. The company was incorporated in 1993.

OUR VISION/ MISSION

When vision had no horizon and imagination was boundary-less, the two technocrats in 1993 gave shape to their dreams. Since then, Electrotek is engaged in designing, developing and manufacturing of high quality ESD products for defense, scientific, and industrial applications.

OUR INFRASTRUCTURE

We have a large infrastructure headquartered in New Delhi. It is equipped with modern facilities and experienced staff members handle its operations. Hi-tech machinery, installed at our infrastructure, strengthens our abilities and helps us complete the consignments timely.
