Establishment

2020

Rajvi Diamonds, a beacon of excellence in the world of diamonds, where innovation meets tradition. Founded in 2020 by Bhaudikkumar Jadavbhai Kevdia, Rajvi Diamonds has swiftly become a distinguished name in the diamond industry, specializing in Alphabet Cut Diamonds and Lab Grown Diamonds. Our headquarters are nestled in Surat, Gujarat, the heart of India's diamond manufacturing hub, enabling us to leverage the city's rich heritage and advanced technological prowess.

Our Journey

Rajvi Diamonds was born out of a passion for precision and a commitment to quality. Bhaudikkumar Jadavbhai Kevdia envisioned a company that would not only uphold the highest standards of craftsmanship but also innovate in ways that redefine the diamond industry. From our humble beginnings, we have grown into a trusted name, known for our dedication to perfection and our innovative approach to diamond cutting and manufacturing.

Our Commitment to Quality

Quality is the cornerstone of Rajvi Diamonds. We adhere to stringent quality control measures at every stage of the manufacturing process. Our team of skilled artisans and technicians use state-of-the-art technology to ensure each diamond meets our high standards. From the initial cutting to the final polishing, every step is meticulously executed to produce diamonds that are nothing short of perfect.

Innovation and Technology

Innovation is in our DNA. We constantly explore new techniques and technologies to enhance our products and processes. Our investment in advanced machinery and software enables us to achieve precision and efficiency in diamond cutting and shaping. By staying ahead of industry trends and adopting the latest advancements, we ensure that our products remain at the pinnacle of quality and innovation.

Sustainability and Ethics

At Rajvi Diamonds, we are committed to ethical practices and sustainability. Our Lab Grown Diamonds are a testament to our dedication to reducing our environmental footprint while providing customers with beautiful, conflict-free diamonds. We believe that luxury and responsibility can go hand in hand, and we strive to set an example in the industry by promoting sustainable practices.

Our Market Reach

Since our establishment, we have expanded our market reach to cover all of India. Our reputation for quality and reliability has earned us the trust of customers nationwide. We take pride in our ability to meet the diverse needs of our clients, providing them with diamonds that exceed their expectations.

Our Vision

As we look to the future, our vision is to continue leading the diamond industry through innovation, quality, and sustainability. We aim to expand our product offerings, explore new markets, and maintain our unwavering commitment to excellence. At Rajvi Diamonds, we believe that the journey of a diamond is a story of transformation, and we are dedicated to crafting stories that sparkle with brilliance and elegance.
