Iron Scrap

We are a quality centric company and thus, we follow strict quality standards throughout to offer quality products to the customers. We keep a stern check on the payment procedures and simultaneously maintain records of the transactions made with us. Thus, we ensure that the payments are received with utmost security.

Ferro Silicon Lumps

We are one of the respected names in the market of Kolkata(India) and are offering amazing deals on our products. We keep the globally accepted packaging guidelines in consideration so that the products that we deliver are packed well and are safe from the external environmental factors such as shock, compression, temperature.

Sponge Iron

We use packaging materials that are industrial grade, and non-toxic. The labels on packages are tamper and smudge proof. We have stringent packaging related policies. Our professional warehousing personnel keep a stringent check on the entire lot, stored in the warehouse, to keep it secured from diverse factors such as moisture, rain, dust and similar others.

Silico Manganese Lumps

We are supported by a team of proficient personnel who aid us completely and lay special emphasis on the packaging of the products so as to avoid any damage during transit. Counted amid the prominent names, we are making available world-class array of quality-centralized products from Kolkata(India).

Ferrochrome

We are a trustworthy name, involved in offering excellence in the form of Ferrochrome. We are strongly backed by a well maintained and managed storage house wherein we store our products for meeting urgent and massive requirements of the buyers.
