At Eteily Technologies, we are passionate about enabling seamless connectivity solutions. Founded in 2017 by Ms. Ritika Kataria, our Bhopal, Madhya Pradesh-based company has grown into a global supplier of antennas, connectors, cables, and batteries.

Our Mission

Our mission is to empower businesses and individuals with reliable and innovative connectivity technologies. We achieve this by providing a comprehensive range of high-quality antennas, connectors, cables, and batteries that cater to diverse applications across various industries.

Our Vision

We envision a world where connectivity is not a barrier but a bridge. We strive to be at the forefront of technological advancements, offering cutting-edge solutions that support the ever-evolving needs of the connected world.

Core Values

- ◆ **Innovation:** We are dedicated to continuous research and development, pushing the boundaries of antenna technology to deliver cutting-edge solutions.
- ◆ **Quality:** We are committed to the highest quality standards in everything we do, from product design and manufacturing to customer service.
- ◆ **Customer Focus:** We prioritize understanding our clients' specific needs and providing them with tailored solutions that ensure optimal performance.
- ◆ **Reliability:** Our products are built to last, ensuring dependable connections in even the most demanding environments.
- ◆ **Sustainability:** We are committed to environmentally responsible practices throughout our supply chain.

Eteily Technologies caters to a diverse clientele, offering solutions for applications in metering, navigation, IoT, marine, telematics, automation, M2M communication, and more. We support various frequencies, including 5G, 4G, 3G, LoRa, Sigfox, GPS, GLONASS, WiFi, Bluetooth, and NFC.

We not only provide standard products but also excel in custom antenna design and manufacturing. Additionally, Eteily manufactures high-quality Lithium-ion and LifePO4 battery packs for various applications, from electronics to electric vehicles.
