

Magic Stick

(Spreader, Activator water adjuvant)

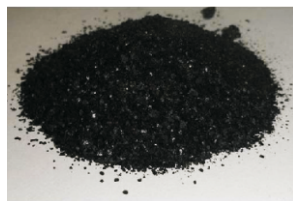

Composition : Non Tonic surfactant 80% + Amino Mix
It work as all purpose spread, mix, which all stick well on leaf surface activator.

Surfactant reduce the contact angle of water to leaf surface. It helps minimum lost of fungicide, pesticides, herbicides over leaf surface spring for whole plant.

Increase the effectiveness of pesticides & fungicides & other so facility to stay on also rainy season.

Available Pack Size : 10 ml, 50 ml, 100 ml

Dose : 5 ml per 15 Ltr of water

Organic Rakshak

(Bio Pesticide & Fungicide with P4R Growth)

It is 100% natural medicinal herbal extract based organic anti insect caterpillar & on scientific technique.

It also protect against different fungal such as blast, mildew, rots, curling of leaves etc.

It is unique agricultural formulation gradually reduce dependance on chemical pesticides.

It also protect from bacterial & viral dieses etc.

It is long term effect on a plant growth properly. Protect sucking pest, white fly, mealybugs, jassid, aphid, thrips & mites etc for all crop.

Available Pack Size : 100 ml, 250 ml, 500 ml, 1 Ltr

Magic Plus

(Organic larvicide with Growth)

It is biotechnology research products which ultimate growth of plant with the larvicide & insect control action against various plants & crop dieses.

It acts anti freedent & stomach poison for insect. It also stops dieses hormones from the prothratric gland of all insect eventually insect dies due to starvation.

it also prepare effective for control spodoptera, caterpillar, white grubs, diamond back moth, heliothis & mealybugs.

For all crops, fruits & vegetables.

Available Pack Size : 100 ml, 200 ml, 500 ml

Dose : 2 ml / Liter of water & 30 ml / pump for foliar spray.

Algrin Boundry

(Animal Protector with Guard)

It is unique formulation of liquid from smell repellent, protection are very useful multipurpose special fragrance with nutrient.

It give protection crop from pigs, saine, wildcow, Neel cow & birds. It is eco friendly & bio degradable so they never make any side effect to crop & human being other animals.

It based on special fragrance of it non-eatable oil & herbs extract make get it rid of the wild animal from the crops & farm.

Also useful for pesticide for white ant, root infective mos, protect the crop from infection resistance power.

Direction of use : Take red cotton cloth with tiny stones, grass & clay deep in liq. put on the bare & spray 5 to 8 far distance.

Available Pack Size : 250 ml, 500 ml, 1 Ltr

Algrin's Super Growth Power

(Microbial NPK Constorium with Amino Acid)

It is the product which having the Beneficial Nitrogen fixing Bacteria, Phosphate Solublising Bacteria & Potash Mobilising Bacteria with Plant Food & all Natural Micro nutrient.

It Beneficial soil microbial activity, Solublising all lock nutrient available in soil.

For Healthy Crop Growth & available root bore nutrient uptake from soil fertility. Increase the resistance power increase from any environment condition.

It protect from various root borne dieses of attack of harmful microbes & pest as liquid fertilizer & condition.

Available Pack Size :

250 ml, 500 ml, 1 Ltr, 5 Ltr, 20 Ltr, 50 Ltr

Dose : 3 - 5 ml / Liter

Orgomore™

(Microbial Extract + Constorium with Amino Acid + Seaweed Extract)

It is the combination of microbial fermentation extract organic herbal extract , Natural Amino Acid, Bio fulvic for flower stimulant over all crop growth.

For the root white increase to the up taken nutrient, water holding capacity, transfer nutrient, crop root growth increase & yield.

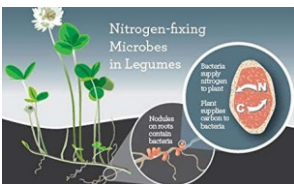

Production chlorophyl enzyme process and fruit & flower crop control. Hormonal system of plant.

Fruit size, production yield quality of product, spray on crop & root bone.

Available Pack Size :

250 ml, 500 ml, 1 Ltr, 50 Ltr Bulk

Dose : 1 - 2 ml / Liter

T-23 Eco

(Bio Stimulant & P4PR)

It is research bio technological develop plant & animal origin microbial balance organic food for plant & microbial ecosystem. It act as P4PR stimulant of flower & fruit drop control.

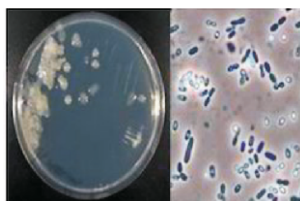

It increase carbon, nitrogen ratio & photosynthesis activity plant cells, lends to increase numbers of buds, shoots, root stronger length increase.

Strong the plant it provide energy to plant that helps with stand adverse condition increase crop yield 20% & 20% reduce crop other expense cost.

100% organic Eco friendly.

Available Pack Size : 100 ml, 200 ml, 500 ml

Dose : 1-2 ml / Liter of water & 30 ml / pump & 500 ml / acre

Agri Super Grow

(Humic Acid 60% + Amino 10% + Fulvic 30%)

It is combination of Humic Acid for root & water holding capacity & Amino Acid plant nutrient cell metabolites.

Fulvic Acid increase nutrient uptake, microbial soil activity food & arise of microbs.

It is humas organic carbon content in soil increase so improve fertility of soil.

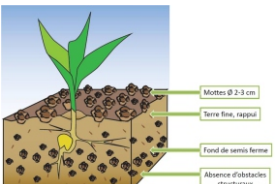

It also mix with any fertilizer & pesticide & area.

Crop expense decrease 20-30% crop productivity increase.

It is 100 gm of Manure = 1 kg powder. So, manure & dung cost decrease. Plant disease decrease because of dung.

Available Pack Size :

100 gm, 250 gm, 500 gm, 1 kg

Algreen Agridon

(Mix Microbial 20 Culture + Seaweed Extract)

Microbials is necessary for all Ecosystem & Enviornment. Soil have millions of Microlds but increase used of chemical Fertilities & Pesticides reduce in soil so productivity of soil decreases.

This the product which increase moisturizers in soil fertility & Earthworm produce more survive in soil because it is Farmer friends for aeration in soil products.

Farming & Farming Farmers Health more important than any other residue of chemical decrease by use this products.

Available Pack Size :

100 gm, 250 gm, 500 gm

VAM GROW

(Vesicular Arbusular, Mycorhizia Fertilizer Root Stimulant Promoter)

It is a mutual symnosystic system between fungi root for benefit both plant & mycorhizal.

Profuse good root derdepment increase nutrient phosphate uptake solublise water uptake for plant.

Alleviation of stress tolerant higher yield & better quality crop value.

Recommend for all crops. Cereals, fruits, flowers, sugarcane, banana, spices, medicinal vegetables.

Available Pack Size : 200 gm, 500 gm, 1 kg

Algrin Super Magic kelp-23

(Ascophyllum nodosum, sargasum, Laminaria, Alwa extract powder)

It natural extract powder & seaweed extract of Ascophyllum nodosum, alwa, sargasum based natural plant nutrient.

It contain biostimulant betaine, natural micronutrient hormone tonic for plant natural harvesting cold pressed.

Plant growth increase for foliar spray & drip irrigation.

Also plant immunity increase crop for organic approved made.

Magical result on all crops, any stage, no side effects. Eco friendly as NPUP criteria output.

Available Pack Size : 20 gm, 50 gm, 100 gm, 200 gm, 500 gm

Dose : 1 gm / Ltr (water)
