Drag Chain Conveyor System

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

Price : ₹50,000.00 - 5 Lac / Piece(s)

Pneumatic Conveying Conveyor System

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

Price : ₹1 Lac - 1 Crore/ Set(s)

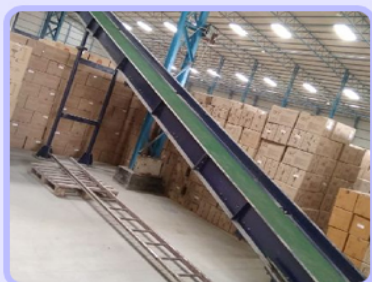

Screw Conveyor System

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

Kalpataru's Screw Conveyors are used in many industries including cement, chemical, food, mining and wastewater treatment industries for conveying and elevating bulk materials.

Price : ₹30,000.00 - 20 Lac/ Piece(s)

Slider Bed Conveyor System

Business Type : Manufacturer, Supplier, Retailer

Overall Frame Width Range : 400 to 2000 mm

Center Drive : Standard

Features : Adjustable Floor Supports Available Reversible

Bed : 150 Mm X 12 Ga. Formed Steel Channel Powder Painted with Galvanized Bed Pans

Location : Worldwide

Price : ₹1.50 Lac - 10 Lac/ Piece(s)

Swivel Chute Belt Conveyor System

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

Swivel chute belt conveyor for compartment plant 400 to 800 wide & 10000 mm to 30000 mm Long, Capacity – up to 200 TPH. Belt discharge material in top swivel chute mounted on 4 compartment structure. Swivel chute rotate to position in particular bin. Belt installation in 28 degree accommodates less space. Safety pull cord & emergency switches ensures complete safe operation. Stepped walkway makes it easy for access & maintenance. Reputed make motor / gearbox & rollers ensure reliable operation.

Price : ₹1 Lac - 25 Lac / Piece(s)

Truck Loader Conveyor System

Price : ₹2 Lac - 6 Lac/ Piece(s)

Conveyor Length : As per Requirement

C Conveyor Width : As per Requirement

Conveyor Input Height : As per Requirement

Belt Material : Pvc Anti Skidding Belt.

Conveyor Type : Dock Less Truck Loading Conveyor

Speed of Conveyor : Adjustable Speed 10 - 20 Mtr/min

Component to Convey : Carton Boxes, Totes, Crates

Conveyor Output Height : Adjustable by Hydraulic motorised Ball screw arrangement.
From 800 to 2400mm

High Speed Belt Conveyor System

Price : ₹50,000.00/ Piece(s)

Business Type : Manufacturer, Supplier, Retailer

Application : Moving Goods

Weight : 100-1000kg, 1000-2000kg, 4000-5000kg

Voltage : 110V, 220V, 380V, 440V

Condition : New

Automatic Grade : Automatic

Power : 1-3kw, 3-6kw, 9-12kw

Driven Type : Electric

Coal Handling Conveyor System

Price : ₹1 Lac - 1 Crore/ Set(s)

Voltage : 110V, 220V, 380V, 440V

Condition : New

Automatic Grade : Automatic

Power : 1-3kw, 12-15kw, 15-18kw, 3-6kw, 6-9kw

Driven Type : Electric

Application : Constructional Use

Location : Worldwide

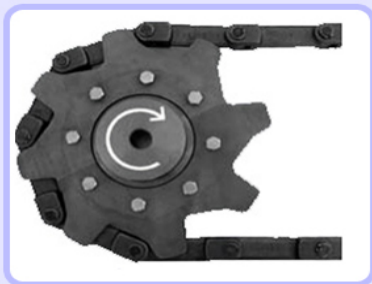

Forged Trailing Wheel

Price : ₹1,000.00 - 10,000.00 / Piece(s)

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

Buy the best quality Forged Trailing Wheel at rock-bottom prices from us. We are a reckoned name in the town To stock our product for wholesale distribution, we have a state-of-the-art storage facility equipped with the latest inventory control management system. It enables us to meet bulk or retail requirements with ease.

Forged Sprocket

Price : ₹1,000.00 - 2 Lac/ Piece(s)

Business Type : Manufacturer, Supplier, Retailer

Size : 0-5inch, 10-15inch, 15-20inch, 5-10inch

Thickness : 10-15mm, 5-10mm

Application : Vehicle Use

Color : Black

Condition : New

Finishing : Polished

Feature : Hard Structure, High Strength, Rust Proof, Water Proof

Forged Chain Link

Price : ₹200.00 - 1,000.00 / Piece(s)

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

To keep up with the set international standards, we have incorporated the latest machines and cutting-edge technology to sternly examine the material used for production. As a respected name in the industry, we make use of only high-grade packaging material for the safe packing of the products. Thus, we ensure zero damage at buyer's end.

Forged Chain Link

Business Type : Manufacturer, Supplier, Retailer

Location : Below Evaporating Cooler, Gct, Dsc, Boiler, Etc

Material to Be Handled : Char/fly Ash/furnace Bottom Ash/molten Slag

Temperature Range : 900 °C to 95 °C

Design Capacity : 3 TPH, 5 TPH, 10 TPH, 20 TPH

Gradient : Up to 35 °

Chain : Flat Forged Chain, Round Link Forged Chain

Chain Pitch (mm) : 64.5, 75, 86, 92, 102, 125, 142, 150, 200, 260

Chain: MOC : 20MnCr5, 16MnCr5, 42CrMo4, En 353, En 24, En 8, C 45

Trough: MOC : IS: 2062

Wear Liner: MOC : Sailma, Tiscral, Manganese Steel, Cast Basalt

Application : To Collect and Transfer Dust from Evaporating Cooler, Gct, Dsc, Boiler, Etc

Belt Conveyor Idlers

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

Price : ₹200.00 - 3,000.00 / Piece(s)

Belt Conveyor Pulleys

Price : ₹3,000.00 - 2 Lac/ Piece(s)

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

CONVEYOR PULLEYS ARE DIVIDED INTO THE FOLLOWING SUB CATEGORIES :

- Head Pulley is Located At the Discharge Point of the Conveyor
- Tail and Wing Pulley is Located At the Loading End of the Belt
- Snub Pulleys Improve the Traction of the Drive Pulley, By Increasing Its Belt Wrap Angle
- Bend Pulleys are Used for Changing the Direction of the Belt.

Pulse Jet Bag Filter System

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

Kalpataru manufactures and supplies good quality Pulse Jet Bag Filter Systems. These filter systems are manufactured in accordance with industry set quality parameters, are appreciated for their excellent filtration, easy installation, long work life and limited power consumption.

Price : ₹25,000.00 / Piece(s)

Elevator Buckets

Price : ₹100.00 / Piece(s)

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

Kalpataru is a prominent A-Type Steel Elevator Buckets Manufacturer and Supplier in India. Our A-Type Steel Elevator Buckets have maximum volume capacity due to their unique design, quality, and accuracy. A-Type Seamless Steel Elevator Buckets having good strength and impact resistance are used in various Industries .

Bucket Elevator

Price : ₹2 Lac - 50 Lac / Piece(s)

Business Type : Manufacturer, Supplier, Retailer

Port : Kolkata

Delivery Time : 2 months

Location : Worldwide

Diverter Gate

Price : ₹25,000.00 / Piece(s)

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

Diverter gates typically divert vertical free flow of material from one source to a choice of two other points. It is often utilized in redundant or multi-destination conveyor systems. Because this is usually achieved with a 90o flap type gate blade an electric one quarter turn actuator are often used for simplicity.

Slide Gate

Price : ₹25,000.00/ Piece(s)

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

Kalpataru's Slide Gates are used to control the discharge of bulk materials from hoppers, bins, silos or conveyors. Slide Gates consist of a rigid frame mounted to the bottom of the storage device or conveyor. A slide plate is located inside the frame that either opens or closes against the flow of material. The slide plate can be moved by manual, pneumatic, electric or hydraulic means. Kalpataru's Slide Gates are used in many industries including aggregate, cement, chemical, and mining and wastewater treatment industries for controlling the flow of bulk materials.

Rotary Airlock

Price : ₹15,000.00 - 1.50 Lac / Piece(s)

Business Type : Manufacturer, Supplier, Retailer

Temperature Of Media : Low Temperature

Location : Worldwide

Kalpataru's rotary airlock is an ideal choice for handling many dry, free-flowing powders where a pressure differential exists, such as when feeding pneumatic conveying lines. Constructed from either stainless steel or cast iron, our RAL withstands extremely high temperature applications.

Agitator Mixer

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

Kalpataru manufactures many types of continuous process mixers involving paddle screws, ribbon screws, cut and folded flight, etc. We also offer batch mixers with similar designs but longer retention times. Both types are available in various varieties including:

Ash Conditioner & Pugmill Mixer

Price : ₹1.50 Lac - 15 Lac / Piece(s)

Business Type : Manufacturer, Supplier, Retailer

Location : Worldwide

The ash conditioner is a totally enclosed, paddle type mixer designed to condition fly ash, bottom ash, and other abrasive or dusty materials. The unit features the ability to accurately control both the material feed rate and the water supply flow rate, as well as ensure a complete and controlled mixing prior to discharge.
