ABOUT US

KR Printographs is the noted manufacturer and supplier of a wide range of durable products. We deal in Packaging Boxes, Cake Base Boards, Ice Cream Cup Lids, Ice Cream Cup Sleeves, and Agarbatti Labels. Owing to the experience of more than two decades, we are capable of handling all types of orders. The manufacturing of these products is done in our well-structured facility using advanced machines and quality raw materials. In addition, we make available our products in different specifications to suit the exact requirements of the customers. In addition, we offer box printing services at nominal charges. Place bulk as well as urgent orders with us and we deliver the same within the promised time frame.

Started its business operations way back in 1996, KR Printographs is located in Sivakasi (Tamil Nadu, India). The company was founded by Mr A.Kalirajan and has gained a prominent position in the nationwide market since inception.

MANUFACTURING FACILITY

We own a well-structured facility wherein we produce the entire range of products using advanced machines. In addition, we have installed all required amenities essential for the safe and bulk production of the products. We also keep our facility up to date as per the contemporary market developments.

TEAM ASSISTANCE

We are backed by a team of professionals that is capable of meeting the precise needs of the clients. In addition to this, we regularly train our team members to keep them abreast with the newest market developments. Our team members are dedicated towards meeting the set targets of the organization.
