Deeply rooted in Pune (Maharashtra, India). Gauravind And Co is one of the well-known organizations that are engaged in exporting and supplying different types of Indian spices, Indian pulses, powdered spices and much more. The company has been operational in the industry since the year 2019.

Our Vendor Base

We are a company that is highly focused on maintaining the high quality of the products. Therefore, we select our vendors very carefully after confirming the following factors:

- Great past records
- Usage of excellent ingredients
- Organic farms
- Well-furnished and hygienic infrastructure
- Quick and safe delivery

Our Warehousing Unit

We are backed by a spacious warehousing unit, which allows us to store the perishable products in a safe and well preserved atmosphere. We use the temperature controlling system to keep the environment suitable for our products.
