Preethi Cable

www.preethicable.in

Established in the year 2003, Preethi Cable is counted among the most promising traders of engineering products in the entire region. Mr. Arjun Singh is the CEO of the company, who is a phenomenal leader for all of us. We are based in Hyderabad, Telangana (India).

PRODUCTS

The products that we offer are of premium quality, durable, and rust-free. We manufacture products as per the set international standards and we take optimum care of product quality. For us, offering the most appropriate products is the foremost objective.

INFRASTRUCTURE

We have a well-established manufacturing unit, and our machinery includes extruder machine-65mm, take-up machine etc. The production capacity is 75000 Kg- 90000 Kg per month, of 35 Kg bundles. We use H.D material GI wire. We offer the best quality in the markets and our market base spreads across the whole world.
