

United Belting

**FOUNDATION STONE
OF THE COMPANY IN
THE YEAR 2005**

United Belting

United Belting

United Belting is a name that is enlisted amidst the preeminent firms that are providing a wide range of fine quality rubber sheets, conveyor belts and much more.

UNITED BELTING is a name that is enlisted amidst the preeminent firms that are providing a wide range of fine quality rubber sheets, conveyor belts and much more. We are a noteworthy manufacturer and supplier of conveyor belts like chevron cleated conveyor belts, heat resistant conveyor belts, M24 conveyor belts, etc., rubber sheets like pulley lagging rubber sheet and others. We have gained an immense experience in supplying the rubber conveyor belts and sheets in the industry. Today, we have become an expertise sellers in the industry by offering the widest range of belts having widths of 3200 mm. We also offer conventional fabric reinforced belts, sidewall belts, heat resistant belts that are suited up to 300 Deg C, and various other products to our esteemed clientele.

UNITED BELTING is one of the distinguished fraternities that are engaged in the business of manufacturing and supplying a premium range of high grade conveyor belts, rubber sheets, and similar other products. The company has been operational from its head office located in Sangli (Maharashtra, India). Mr. Sharad (Owner) is the brilliant mind behind the inception of our company. He laid the foundation stone of the company in the year 2005.
