ABOUT US

Established in 1984, Lakshmi Group of Industries was founded under the dynamic leadership of Mr. Vijay Kumar Saini. Among its ventures, Lakshmi Handloom Industries was established as a subsidiary to specifically cater to the hospitality sector with premium-quality textile linens.

In 2007, we started providing world-class linens for guest rooms across all categories of hotel chains, as well as individual hotels and resorts. With a strong focus on quality, innovation, and excellence in production and delivery systems, Lakshmi Handloom Industries quickly gained a leading position in the unorganized market. Our commitment to pre- and post-sales services, coupled with industry-best logistics support, ensures that every customer receives exceptional value and satisfaction.
