

# MEET ENTERPRISE

Owing to immense industry experience, Meet Enterprise is involved in offering premium range of polycot roll that includes polycot fabric roll and polycot jacket roll. We are counted amidst the topmost Manufacturers and Suppliers of these products in India.

## ABOUT US

Owing to immense industry experience, Meet Enterprise is involved in offering premium range of polycot roll that includes polycot fabric roll and polycot jacket roll. We are counted amidst the topmost Manufacturers and Suppliers of these products in India. The products that we offer are manufactured using superior grade raw materials and sophisticated technology knitting machines ensuring the finest quality. Dimensional accuracy, perfect finishing, unique designs, smooth texture and durability are some of the main attributes of our products. Moreover, these products are available in different designs, colors and with varied other specifications according to the requirements of buyers. One can avail these products from us in small as well as bulk quantities at market-leading prices.

Established in the year 2012, Meet Enterprise is positioned at Rajkot (Gujarat). Under the headship of our skilled mentors, we have been able to set a benchmark in the industry.

### SOUND INFRASTRUCTURAL UNIT

We have well-developed manufacturing unit which is installed with contemporary machines ensuring low production cost. Besides this, we have separate quality control unit that assures defect-free range of products.

### OUR TEAM

With the help of our skilled and determined professionals, we are able to provide the finest quality products to our valuable customer. Besides this, they work as per the set industry norms ensuring defect-free range of products.

### NATIONWIDE REACH

As we are backed by reliable vendor base and logistic partners, we are able to deliver our consignments all across the nation. In addition to this, our advanced shipment facilities enable prompt and safe delivery of products.
