

SAGAR EXPORT

“Sagar Export” has begun as a major exporter and supplier of food grains and onion. Offered products range consists of Soybean Seeds, Maize Seeds, Wheat Seeds, Fresh Onion, Chana Dal, Green Moong Dal, Toor Dal, Whole Urad Dal, Pearl Millet Seeds, Basmati Rice, Non-Basmati Rice. The offered range is prepared using top-grade inputs and new technology under the management of quality controllers.

Established in the year 2011, “**Sagar Export**” has begun as a major exporter and supplier of food grains and onion. Offered products range consists of Soybean Seeds, Maize Seeds, Wheat Seeds, Fresh Onion, Chana Dal, Green Moong Dal, Toor Dal, Whole Urad Dal, Pearl Millet Seeds, Basmati Rice, Non-Basmati Rice. The offered range is prepared using top-grade inputs and new technology under the management of quality controllers. These products are renowned for their long shelf life, high clarity, and leak-free sanitized packaging. We have created a massive infrastructural facility. From the beginning of our industry, our organization has been trying to serve extreme customer satisfaction by offering extreme quality grains.

Under the direction of our supervisor Mr Sagar Sonawane, our organization is stirring ahead in this cutting-edge competition. He possesses the deep knowledge that helped us formulate pure spices for the clients. Located in Nashik Maharashtra, India we are handling our network around the country.

Our Infrastructure

We have an excellent position in this domain with our infrastructure base. It comprises all the modern technology-based machines. Our infrastructure is distributed into various departments. Owing to these details, we have been capable to complete the deliveries within a limited time to reach complete fulfilment.

Why Us?

- Quality products
- Experienced R & D department
- Expert professionals
- Large supplying capacity
- Customer-oriented approach
- Market competitive costs
- On-time delivery
