PRIVATE LABEL MANUFACTURER

## WHO WE ARE

Khadi Organic proud history began in 2009 when its promoter Ms. Parvesh Handa, desired to unlock the full flavour potential of Ayurveda and promote it for the production of Skin Care, Hair Care, Personal Hygiene Products, Ayurvedic Medicines, Herbal Juices Handmade Soaps, Oral Care Range, Home Care Products & Baby Care Products & Now Has Started Producing Raw Honey.

Her goal is to demonstrate that India natural honey is not

just a sugar/syrup alternative but a sweetest part of India full of naturally occurred antioxidants (Methylglyoxal) components.

Khadi Organic is a 100% Indian owned company.

As our name suggests, we are specialists in the production of ayurvedic & natural honey. Each bottle of our product is prepared using the cleanest, finest and locally sourced raw honey available.

EVERY DROP OF HONEY PRODUCED BY US  
IS PROCESSED AT INTEGRATED BEEKEEPING DEVELOPMENT CENTRE  
(Indo-Israel Project) Department of Horticulture Govt. of Haryana

Today we are one of the major honey manufacturers and OEM service providers in India, and we started to be a genuine global company with contract operations across the globe.

Inspired by the mission **Make in India** launched by our Honorable Prime Minister Shri. Narendra Modi, We will continue to endeavour and to constantly raise our standards to be at the forefront of the India Honey Industry, whilst also developing new innovative honey products to catch your taste.

# Our Promoter

Ms Parvesh Handa have vast experience in cosmetics worked as Senior Consultant with AYUR HERBAL Group in the country for several developed large number of herbal cosmetic products for skin, hair and body.

She is holder of Prime Minister National Entrepreneurship Award by Government of India in 2012, Haryana State Government Industry Award in 2016, several National//International Awards and National/ World Records for developing highest number of formulations for herbal cosmetics. Her name was registered in LIMCA Book of records in 2012
